Safety Instruction Guide for AMERICAN PATTERN HAND FILES APEX TOOL GROUP 2ND CUT, 10"

Introduction

Thank you for choosing the AMERICAN PATTERN HAND FILES APEX TOOL GROUP 2ND CUT, 10". This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow all guidelines carefully to avoid potential hazards.

General Safety Guidelines

- Ensure the file is in good condition before use. Inspect for any damage or wear.
- Use the file for its intended purpose only. This product is designed for dressing, striking off, shaping, and metal removal.
- Keep the workspace clean and free from clutter to prevent accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the file.
- Store the file in a safe place out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Avoid using excessive force when filing. Let the tool do the work to prevent injuries.
- Do not use the file on materials that it is not designed for, as this may cause damage or injury.
- Always file away from your body to minimize the risk of injury.
- Be cautious of sharp edges and points on the file. Handle the tool with care to avoid cuts.
- If using the file in a dusty environment, consider using a dust mask to avoid inhalation of particles.

Instructions for Installation and Usage

1. Preparation:

- Ensure the workpiece is securely clamped or held in place before beginning to file.
- Select the appropriate side of the file for the task (doublecut or singlecut).

2. Using the File:

- Hold the file firmly by the handle with one hand and the workpiece with the other.
- Start filing with a smooth, even motion. Apply light pressure and maintain a consistent angle.
- After each stroke, lift the file away from the workpiece to avoid dragging and damaging the material.

3. PostUsage Care:

- Clean the file after use to remove any metal shavings or debris.
- Store the file in a protective case or holder to prevent damage and ensure safety.

Disposal Instructions

- Dispose of the file in accordance with local regulations.
- If the file is damaged or no longer usable, consider recycling it where possible.
- Ensure that the file is not accessible to children or pets during disposal.
