SWISS PATTERN BARRETTE FILES FRIEDR. DICK GMBH Safety Instruction Guide

Introduction

Thank you for choosing the SWISS PATTERN BARRETTE FILES by FRIEDR. DICK GMBH. These precision tools are designed for effective filing in tight spaces and intricate areas. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the work area is clean and free of hazards before using the file.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against debris and sharp edges.
- Keep the file away from children and vulnerable individuals. This tool is not intended for use by children.
- Regularly inspect the file for any signs of damage or wear. Do not use if damaged.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- When using the file, ensure you maintain a firm grip to prevent slipping.
- Always file in the direction of the cut. Avoid using excessive force to prevent accidents.
- Use the flat side of the file with the doublecut teeth for efficient filing.
- Be cautious of the beveled edges; they are safe but can still cause injury if mishandled.
- Do not use the file for purposes other than its intended use, such as prying or as a lever.

Instructions for Installation and Usage

1. Preparation:

- Choose the appropriate file size and cut for your task. The SWISS PATTERN BARRETTE FILES come in various sizes (4" and 6") and cuts (#0, #1, #2).
- Ensure that your workspace is welllit and organized.

2. Using the File:

- Hold the file securely by its handle.
- Position the file against the material you wish to work on, ensuring you are using the correct side.
- Apply even pressure while moving the file in a controlled manner.
- Avoid excessive force; let the file do the work.

3. Cleaning and Maintenance:

- After use, clean the file to remove any debris. Use a brush or cloth to wipe it down.
- Store the file in a safe location, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of the file in accordance with local regulations.
- If the file is damaged beyond repair, ensure it is disposed of safely to prevent injury to others.
- Recycle any metal components if applicable, following local recycling guidelines.
