# Safety Instruction Guide for SWISS PATTERN BARRETTE FILES FRIEDR. DICK GMBH 6" BARRETTE #2 CUT

## Introduction

Thank you for choosing the SWISS PATTERN BARRETTE FILES by FRIEDR. DICK GMBH. These files are designed for precision filing in tight spaces and complex shapes. To ensure a safe and effective experience, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose of filing and shaping materials.
- Always inspect the file for damage before use. Do not use if the file is cracked or broken.
- Keep the file out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety goggles and gloves when using the file to protect against potential injuries.
- Follow all local regulations regarding the disposal of tools and materials.

## Specific Safety Precautions for Use

- Avoid applying excessive force while filing. Let the tool do the work to prevent damage to the file and injury to yourself.
- Always file away from your body to minimize the risk of injury.
- Be cautious when working with small or delicate materials to prevent slipping or breakage.
- Ensure that your workpiece is securely clamped or held in place to avoid movement during filing.
- If using the file in a workshop or enclosed space, ensure proper ventilation to avoid inhalation of dust particles.

## Instructions for Installation and Usage

### 1. Preparation for Use

- Select the appropriate file for your task (e.g., #2 cut for finer work).
- Ensure your workspace is clean and organized to prevent accidents.

### 2. Using the File

- Hold the file firmly by the handle, ensuring a comfortable grip.
- Position the file at the desired angle to the workpiece.
- Begin filing using smooth, even strokes, applying light pressure.
- Periodically check your progress to avoid overfiling.

### 3. After Use

- Clean the file after each use to remove any debris or material buildup.
- Store the file in a safe place, preferably in a protective case or sheath, to prevent damage and accidents.

## **Disposal Instructions**

- Dispose of the file in accordance with local regulations. If the file is damaged or worn out, consider recycling it if possible.
- Do not dispose of the file in regular household waste if it can pose a risk to others.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please contact the manufacturer or your local distributor. Ensure you have the product details ready for a more efficient response.

By adhering to these guidelines, you can ensure safe and effective use of the SWISS PATTERN BARRETTE FILES. Thank you for your attention to safety, and enjoy your filing experience!
