# Safety Instruction Guide for STANDARD PILLAR FILES SWISS PATTERN APEX TOOL GROUP

## Introduction

Thank you for choosing the STANDARD PILLAR FILES SWISS PATTERN from APEX TOOL GROUP. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read the entire guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a file for shaping and smoothing materials.
- Always inspect the file for damage or wear before use. Do not use if the file is damaged.
- Keep the file out of reach of children and vulnerable individuals to prevent accidents.
- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves while using the file.
- Store the file in a safe place when not in use to prevent accidental injuries.

## Specific Safety Precautions for Use

- Use the file in a welllit area to ensure visibility.
- Avoid using excessive force while filing; let the file do the work.
- Keep your hands and fingers clear of the filing area to prevent injuries.
- Do not use the file on materials for which it is not designed.
- If you experience any discomfort or pain during use, stop immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather your materials and ensure you have a stable work surface.
- Wear safety goggles and gloves for protection.

### 2. Using the File:

- Hold the file firmly by the handle.
- Position the file at a slight angle to the material you are filing.
- Apply even pressure while moving the file back and forth along the material.
- Avoid lifting the file off the material during the stroke to maintain effectiveness.

### 3. Finishing:

- Once you have achieved the desired shape or smoothness, clean the file to remove any debris.
- Store the file in a protective case or sheath to prevent damage.

## Disposal Instructions

- Dispose of the file in accordance with local regulations for metal products.
- Do not dispose of the file in regular household waste if local regulations require special disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the STANDARD PILLAR FILES SWISS PATTERN, please contact your local distributor or refer to the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and effective experience while using the STANDARD PILLAR FILES. Thank you for your attention to safety!
