Safety Instruction Guide for NARROW PILLAR FILES

Introduction

Thank you for choosing the NARROW PILLAR FILES from APEX TOOL GROUP. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective use of this product. Please read this document carefully before using the product.

General Safety Guidelines

- Always use the file in accordance with the intended purpose.
- Keep the file out of reach of children and vulnerable individuals.
- Inspect the file before use to ensure it is in good condition and free from defects.
- Use personal protective equipment (PPE) such as gloves and safety glasses to protect against potential injuries.
- Report any unsafe product conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure a stable and secure working surface when using the file.
- Use the file only on materials that are appropriate for its design and cutting capabilities.
- Avoid excessive force while using the file to prevent breakage or injury.
- Do not use the file for any purpose other than its intended use as a filing tool.
- Store the file in a safe location when not in use to prevent accidental injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials and tools needed for your filing task.
- Ensure your workspace is clean and organized.

2. Using the File:

- Hold the file securely by the handle.
- Position the file at the desired angle against the material to be filed.
- Apply even pressure while moving the file back and forth along the surface.
- Avoid filing in a way that could cause the file to slip or bind.

3. PostUse Care:

- Clean the file after use to remove any debris or particles.
- Store the file in a protective case or designated storage area to prevent damage.

Disposal Instructions

- Dispose of the file in accordance with local regulations.
- If the file is damaged or no longer usable, consider recycling it if facilities are available.
- Ensure the file is not left in a state where it could pose a hazard to others.

Contact Information for Further Support

For any questions or concerns regarding the NARROW PILLAR FILES, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website for more resources.

Thank you for your attention to these safety guidelines. Your safety is our priority.
