

# 12GAUGE SPECIAL PURPOSE TRU-CHOKE CHOKE TUBES - COLONIAL ARMS TRU-CHOKE 12 GA. .675" X-FULL

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

## Unique Design For Competition Use

External "Special Purpose" Choke Tubes made from high tensile strength e.d.t. 150 carbon steel to withstand the higher pressures created by large shot and the constant pounding of competitive shooting without bulging at the threads or splitting the barrel. If a tube does fail, simply remove and replace with another. Turkey Tubes deliver extra tight patterns when used with heavier charges of large size lead shot. Not for use with steel shot!

## Attributes

- Name: [COLONIAL ARMS TRU-CHOKE 12 GA. .675" X-FULL](#)
- Manufacturer: [COLONIAL ARMS](#)
- Product no.: 198025110
- Mfr. No.: 12-TSTK2
- Choke Type: Extra Full
- Gauge: 12 Gauge

# 12GAUGE SPECIAL PURPOSE TRUCHOKE CHOKE TUBES SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the 12GAUGE SPECIAL PURPOSE TRUCHOKE CHOKE TUBES by Colonial Arms. These choke tubes are designed for high performance in competitive shooting and should be used with care and responsibility. This guide provides important safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the choke tube is installed correctly before using your firearm.
- Regularly check the choke tube for signs of wear, damage, or corrosion.
- Only use the choke tube with compatible ammunition, specifically designed for your firearm.
- Do not use steel shot with these choke tubes as it may cause damage.
- Keep the choke tubes out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall notices through the EU Safety Gate platform.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that the firearm is unloaded before installing or removing the choke tube.
- Use appropriate tools to secure the choke tube in place.
- Verify that the choke tube is tightened to the manufacturer's specifications.

### • Usage Precautions:

- Always wear appropriate hearing and eye protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not exceed the recommended load for your choke tube to avoid potential failures.
- If you notice any unusual sounds or performance issues while using the choke tube, cease use immediately and inspect it.

### • Storage Precautions:

- Store the choke tubes in a dry and secure location.
- Avoid exposure to extreme temperatures or moisture to prevent damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing choke tube if necessary, using a choke tube wrench.
- Clean the threads of the choke tube and the barrel with a clean cloth.
- Align the choke tube with the barrel threads and handtighten it.
- Use a choke tube wrench to securely fasten the choke tube, ensuring it is snug but not overtightened.

### 2. Usage:

- Load your firearm with appropriate ammunition, ensuring it matches the specifications of the choke tube.
- Aim your firearm in a safe direction and follow standard firearm safety practices.
- Fire as per your shooting requirements. Monitor the performance of the choke tube and the firearm during use.
- After use, clean the choke tube and inspect it for any signs of damage.

## Disposal Instructions

- Dispose of the choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste.
- If the choke tubes are damaged or no longer usable, consider recycling options if available.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the 12GAUGE SPECIAL PURPOSE TRUCHOKE CHOKE TUBES, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

By following these safety instructions, you can ensure a safe and effective experience with your 12GAUGE SPECIAL PURPOSE TRUCHOKE CHOKE TUBES. Always prioritize safety and adhere to local laws regarding firearm usage. Thank you for your attention to safety!
