

12GAUGE SCREW-IN TRU-TUBE CHOKE TUBES - COLONIAL ARMS TRU-TUBE IMP CYL, 12 GA.

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

"Invisible" Replacement Tubes For Popular Screw-In Choke Systems

Beautifully made tubes with an extremely smooth inside finish and an undercut, tube-to-barrel joint to minimize shot and wad fouling buildup. Both Win-Choke® and Tru-Choke™ tubes are "invisible" style, no unsightly "knob" sticks out. And, they can't rust; they are stainless steel. Install/remove with a quarter. WARNING: FOR USE WITH LEAD SHOT ONLY.

Safety Instruction Guide for 12GAUGE SCREWIN TRUTUBE CHOKE TUBES

Introduction

Thank you for choosing the 12GAUGE SCREWIN TRUTUBE CHOKE TUBES by Colonial Arms. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the choke tubes.

General Safety Guidelines

- Ensure safe use of the choke tubes by following all instructions and safety warnings.
- Always use lead shot only, as indicated on the product.
- Regularly inspect the choke tubes for any signs of damage or wear before each use.
- Store the choke tubes in a dry place, away from moisture and extreme temperatures.
- Keep the choke tubes out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Use with Lead Shot Only:** The choke tubes are designed for lead shot usage only. Using other types of shot can cause damage or malfunction.
- **Installation and Removal:** Always use a quarter to install or remove the choke tubes. Do not attempt to use other tools, as this may damage the threads or the tube itself.
- **Avoid Rust:** The choke tubes are made of stainless steel and are resistant to rust. However, ensure they are clean and dry after use to maintain their condition.
- **Age Restrictions:** These products are not intended for use by individuals under the legal age for hunting or shooting in your jurisdiction. Ensure compliance with local laws.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Use a quarter to turn the choke tube into the barrel's threaded opening.
- Tighten securely, but do not overtighten to avoid damage.

2. Usage:

- Load the shotgun with lead shot only.
- Aim and shoot in a safe direction, adhering to all local regulations and safety practices.

3. Removal:

- After use, ensure the shotgun is unloaded.
- Use a quarter to loosen and remove the choke tube from the barrel.
- Store the choke tube in a safe and dry location.

Disposal Instructions

- Dispose of the choke tubes in accordance with local regulations regarding metal waste.
- Do not dispose of in regular household waste unless permitted by local guidelines.

Contact Information for Further Support

For any questions or concerns regarding the use of the 12GAUGE SCREWIN TRUTUBE CHOKE TUBES, please refer to the manufacturer's contact information provided with the product packaging. Ensure that you have the product details ready for efficient assistance.

By following these guidelines, you can ensure safe and effective use of your 12GAUGE SCREWIN TRUTUBE CHOKE TUBES. Thank you for your attention to safety!
