

12GAUGE SCREW-IN THINWALL CHOKE TUBES - COLONIAL ARMS THINWALL FULL, 12 GA.

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

"Invisible" Replacement Tubes For Popular Screw-In Choke Systems

Beautifully made tubes with an extremely smooth inside finish and an undercut, tube-to-barrel joint to minimize shot and wad fouling buildup. Both Win-Choke® and Tru-Choke™ tubes are "invisible" style, no unsightly "knob" sticks out. And, they can't rust; they are stainless steel. Install/remove with a quarter. WARNING: FOR USE WITH LEAD SHOT ONLY.

Safety Instruction Guide for 12GAUGE SCREWIN THINWALL CHOKE TUBES COLONIAL ARMS THINWALL FULL, 12 GA

Introduction

Thank you for choosing the 12GAUGE SCREWIN THINWALL CHOKE TUBES from Colonial Arms. This guide provides essential safety information and instructions for the safe use, installation, and maintenance of your choke tubes. Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the choke tubes are compatible with your shotgun before installation.
- Always handle firearms and accessories with care and follow all local laws and regulations.
- Keep choke tubes out of reach of children and unauthorized users.
- Regularly inspect choke tubes for signs of wear or damage before use.
- Use only lead shot with these choke tubes, as other types of shot may cause damage and pose safety risks.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation or use may cause the choke tube to become dislodged during firing, leading to potential injury.
- Using incorrect shot types can lead to tube damage and firearm malfunction.

- **Avoiding Hazards:**

- Always ensure the firearm is unloaded before installing or removing the choke tube.
- Do not attempt to modify the choke tube or use it in a manner not specified by the manufacturer.
- Wear appropriate eye and ear protection when using firearms equipped with choke tubes.

- **AgeSpecific Warnings:**

- This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation:**

1. Ensure the shotgun is completely unloaded and pointed in a safe direction.
2. Use a quarter to unscrew the existing choke tube, if applicable.
3. Take the new choke tube and align it with the threads in the barrel.
4. Screw the choke tube in gently but firmly until it is secure.
5. Use the quarter to tighten the choke tube further, ensuring it is properly installed.

- **Usage:**

- Load the shotgun with lead shot only.
- Fire the shotgun according to the manufacturer's instructions and local regulations.

- After use, inspect the choke tube for any signs of damage or fouling.
- Clean the choke tube regularly to maintain performance and safety.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

- For questions or concerns regarding the choke tubes, please reach out to your point of purchase or consult the manufacturer's website for assistance.

Thank you for prioritizing safety and compliance while using the 12GAUGE SCREW IN THINWALL CHOKE TUBES. Your responsible use of this product contributes to the safety of yourself and others.
