# S&W Revolver Extra Length Firing Pin Safety Instruction Guide

## Introduction

Thank you for choosing the S&W Revolver Extra Length Firing Pin. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read the entire guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only in Smith & Wesson revolvers compatible with the J, K, L, and N frame models.
- Always handle firearms and related components with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Inspect the firing pin regularly for wear or damage.
- Do not modify the firing pin or any other firearm components without professional guidance.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installation or maintenance.
- Use appropriate protective gear, such as safety glasses, when handling firearms.
- Be aware of the potential hazards associated with firearms, including accidental discharge.
- Avoid using the firing pin with excessively light mainsprings that may compromise safety.
- Only use the firing pin with compatible calibers: 38/357, 41, 45, 9 mm, 40/10 mm, and 32 Caliber.
- Consult a qualified gunsmith if you are unsure about compatibility or installation.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation, including a screwdriver and a cleaning cloth.

### 2. Installation Steps

- Remove the cylinder from the revolver according to the manufacturer's instructions.
- Locate the firing pin housing and remove the old firing pin if applicable.
- Insert the S&W Extra Length Firing Pin into the housing. Ensure it fits snugly.
- Reassemble the cylinder and ensure all parts are secure.
- Test the functionality of the firing pin by performing a dry fire (without ammunition) in a safe environment.

### 3. Usage Guidelines

- Always ensure your firearm is pointed in a safe direction when handling.
- Regularly check for proper function and wear on the firing pin.
- If you experience any malfunctions, cease use immediately and consult a professional.

## **Disposal Instructions**

- Dispose of any old or damaged firing pins in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the S&W Revolver Extra Length Firing Pin, please refer to your local Smith & Wesson dealer or authorized service center for assistance.

Thank you for prioritizing safety and compliance with regulations. Your responsible usage contributes to a safer environment for all firearm users.
