

1911 SOLID ALUMINUM MATCH TRIGGER - CYLINDER & SLIDE

ALUM. MATCH TRIGGER, SHORT

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Replaces Sloppy-Fitting Factory Trigger; Smooth, Rounded Face For Comfort

Match-grade replacement trigger improves control and increases shooting comfort for greater accuracy. Solid, aluminum alloy trigger shoe is oversized for precise fitting to your frame. Smooth, rounded face eliminates tender finger caused by abrasions from sharply serrated trigger faces during long shooting sessions. Transmits the actual trigger action more effectively for a better feel of actual pull weight and improved control of letoff. Stainless steel trigger bow is longer than factory length to reduce take up. Overtravel screw helps eliminate trigger overtravel. Available with Short, Medium, and Long trigger shoe. Gunsmith fitting required.

Attributes

- Name: [CYLINDER & SLIDE ALUM. MATCH TRIGGER, SHORT](#)

Safety Instruction Guide for 1911 Solid Aluminum Match Trigger

Introduction

Thank you for choosing the 1911 Solid Aluminum Match Trigger by Cylinder & Slide. This guide provides important safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage before use.
- Always handle firearms with care and follow basic firearm safety rules.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to malfunctioning of the trigger.
- The trigger may cause injury if it accidentally discharges.
- Prolonged use without proper fitting may result in discomfort or injury.

• Instructions to Avoid Hazards:

- Ensure that a qualified gunsmith performs the fitting of the trigger.
- Always keep the firearm pointed in a safe direction when handling.
- Do not use the trigger if it shows signs of damage or if it has not been properly fitted.
- Avoid using excessive force when pulling the trigger to prevent overtravel.

• AgeSpecific Warnings:

- This product is intended for use by individuals who are legally permitted to operate firearms. Ensure that all users are of legal age and possess the necessary training.

Instructions for Installation and Usage

• Installation Instructions:

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the factory trigger according to the manufacturer's instructions.
3. Install the 1911 Solid Aluminum Match Trigger by a qualified gunsmith to ensure proper fitting.
4. Adjust the overtravel screw as needed to eliminate trigger overtravel.
5. Test the trigger for smooth operation before using the firearm.

• Usage Instructions:

- Practice proper grip and stance when using the firearm.
- Familiarize yourself with the trigger's feel and weight to improve accuracy.
- Avoid distractions while shooting to maintain focus on safety and accuracy.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and electronic waste.
- Ensure that the trigger is rendered unusable before disposal to prevent accidental use.

Contact Information for Further Support

For further assistance or inquiries regarding safety, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety and the safety of others are of utmost importance. Enjoy your experience with the 1911 Solid Aluminum Match Trigger!
