

1911 SOLID ALUMINUM MATCH TRIGGER - CYLINDER & SLIDE

ALUM. MATCH TRIGGER, MEDIUM

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Replaces Sloppy-Fitting Factory Trigger; Smooth, Rounded Face For Comfort

Match-grade replacement trigger improves control and increases shooting comfort for greater accuracy. Solid, aluminum alloy trigger shoe is oversized for precise fitting to your frame. Smooth, rounded face eliminates tender finger caused by abrasions from sharply serrated trigger faces during long shooting sessions. Transmits the actual trigger action more effectively for a better feel of actual pull weight and improved control of letoff. Stainless steel trigger bow is longer than factory length to reduce take up. Overtravel screw helps eliminate trigger overtravel. Available with Short, Medium, and Long trigger shoe. Gunsmith fitting required.

Attributes

Safety Instruction Guide for 1911 Solid Aluminum Match Trigger

Introduction

Thank you for purchasing the 1911 Solid Aluminum Match Trigger from Cylinder & Slide. This product is designed to enhance your shooting experience by providing better control and comfort. Please read this safety instruction guide carefully to ensure safe and effective use of the trigger.

General Safety Guidelines

- Ensure that all firearms are unloaded before installation or handling.
- Always follow the manufacturer's instructions for your firearm.
- Use protective eyewear and ear protection when shooting.
- Keep the trigger and firearm out of reach of children and unauthorized users.
- Regularly inspect your trigger and firearm for wear and damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to malfunction or injury.
 - Excessive trigger overtravel can affect shooting accuracy.
 - Sharp edges can cause finger abrasions during use.
- **Instructions for Avoiding Hazards:**
 - Ensure proper gunsmith fitting to avoid installation errors.
 - Adjust the overtravel screw to limit trigger overtravel.
 - Handle the trigger with care to avoid cuts or abrasions.
- **AgeSpecific Warning:**
 - This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is unloaded and pointed in a safe direction.
 2. Remove the existing trigger according to the firearm's manual.
 3. Fit the new aluminum match trigger to your firearm frame. A gunsmith may be required for optimal fitting.
 4. Adjust the overtravel screw to your preference.
 5. Test the trigger action to ensure proper function before use.
- **Usage:**
 - Use the trigger as intended for shooting practice and competitions.
 - Maintain a firm grip on your firearm while using the trigger.
 - Regularly check the trigger for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and electronic waste.
- Do not dispose of the trigger in regular household waste.

Contact Information for Further Support

For any safety inquiries or assistance regarding the 1911 Solid Aluminum Match Trigger, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the 1911 Solid Aluminum Match Trigger!
