

1911 LONG ALUMINUM TRIGGER - CYLINDER & SLIDE LONG ALUMINUM TRIGGER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Helps Ensure Correct Finger Placement For Best Accuracy

Long, aluminum, trigger shoe helps ensure proper placement of the index finger so pull force is directed straight rearward, preventing disturbance to sight alignment for improved accuracy. Shoe is permanently staked and drilled in a 3-hole configuration to keep weight to a minimum. Fine line serrations on the face provide a positive feel and help improve overall trigger control. Highly polished, stainless steel bow prevents trigger-flex and eliminates drag. Overtravel stop screw allows adjustments for creep. Gunsmith fitting required.

Attributes

- Name: [CYLINDER & SLIDE LONG ALUMINUM TRIGGER](#)
- Manufacturer: [CYLINDER & SLIDE](#)
- Product no.: 206000033
- Mfr. No.: CS0181

Safety Instruction Guide for 1911 Long Aluminum Trigger

Introduction

Thank you for choosing the 1911 Long Aluminum Trigger by Cylinder & Slide. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your trigger. Please read this document thoroughly before installation and usage.

General Safety Guidelines

- Ensure safe handling of all firearms and accessories.
- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Wear appropriate eye and ear protection when shooting.
- Regularly inspect your firearm and trigger for any signs of wear or damage.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use may lead to accidental discharge or malfunction.
- **Avoiding Hazards:**
 - Ensure that the firearm is unloaded before beginning installation.
 - Use only compatible firearms (1911 Government, Commander, Officers models).
 - Do not modify the trigger or firearm beyond manufacturer specifications.
 - If you are inexperienced with firearms, seek assistance from a qualified gunsmith.
- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Keep out of reach of children.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have a clean and welllit workspace.
- Gather necessary tools, including a screwdriver and any other tools recommended by a gunsmith.

2. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing trigger following the manufacturer's instructions.
- Install the 1911 Long Aluminum Trigger by aligning it with the trigger bow and securing it in place.
- Ensure the shoe is staked and drilled properly in the 3hole configuration.
- Adjust the overtravel stop screw to your preference for creep.

3. Usage:

- Familiarize yourself with the trigger's feel before shooting.
- Practice proper finger placement on the trigger shoe to ensure accurate shooting.
- Regularly check for any signs of wear or looseness after use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and electronic waste.
- Do not dispose of the product in household waste.
- Contact local authorities for specific disposal guidelines if needed.

Contact Information for Further Support

For any inquiries or concerns regarding safety or product performance, please contact the manufacturer directly. Ensure you have your product information ready for assistance.

This safety instruction guide is designed to help you use the 1911 Long Aluminum Trigger safely and effectively. Always prioritize safety and be responsible in your handling of firearms. Thank you for your attention to these important guidelines.
