

1911 3-PIECE DROP-IN TRIGGER PULL SET - CYLINDER & SLIDE TACTICAL II TRIGGER PULL SET

[Handgun Parts](#) > [Trigger Group Parts](#) > [Performance Enhancing Kits](#)

Available In Two Configurations To Fit Your Specific Shooting Needs

Commander-style hammer, Tactical sear, and Ultra Match disconnecter drop-in to deliver reliable ignition and improved trigger function on any 1911 auto. Each component is precision EDM cut to $\pm .0005$ " tolerances from Cylinder & Slide's Special Tool Steel. All parts are honed and polished, then heat-treated to Rc 50-53 for long service life. Tactical II Set features the popular Tactical II chamfered hammer in-the-white with standard .018" long hammer hooks for a match-grade trigger pull. Available in Tool Steel or high-grade Stainless Steel alloy. MARSOC Set includes a blued Tactical II-style hammer with longer .023" hammer hooks for added sear engagement and maximum reliability. Used in the U.S. Marine Corps MARSOC service pistols. Added material on the hooks allows fitting by the pistolsmith to achieve a truly custom trigger pull.

Safety Instruction Guide for 1911 3Piece DropIn Trigger Pull Set

Introduction

Thank you for choosing the 1911 3Piece DropIn Trigger Pull Set by Cylinder & Slide. This product is designed to enhance the performance of your 1911 auto, ensuring reliable ignition and improved trigger function. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- **Product Safety:** Ensure that all components are installed and used according to the provided instructions to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about any recalls by regularly checking the EU's Safety Gate platform for updates on this product.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep all parts out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for immediate updates on any safety issues related to this product.

Specific Safety Precautions for Use

- **Installation:** Ensure that the installation is performed by a qualified gunsmith or an individual with appropriate knowledge and experience.
- **Compatibility:** Verify that the Trigger Pull Set is compatible with your specific model of 1911 auto before installation.
- **Inspection:** Regularly inspect the components for wear or damage. Replace any parts that show signs of deterioration.
- **Handling:** Always treat firearms as if they are loaded. Follow all standard safety protocols when handling your firearm.
- **Sear Engagement:** Ensure proper sear engagement during installation to prevent accidental discharges.
- **Testing:** After installation, perform a function test to confirm that the trigger operates correctly before using the firearm in practice or competition.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including screwdrivers and a punch set.
- Ensure you are in a clean, welllit workspace.
- Unload your firearm completely before starting the installation.

2. Installation Steps:

- Remove the grip panels and any existing trigger components from your 1911 auto.
- Carefully install the Tactical sear and Ultra Match disconnecter as per the manufacturer's instructions.
- Install the Commanderstyle hammer, ensuring that the hammer hooks align properly.
- Reassemble the firearm, making sure all components are securely in place.

3. PostInstallation:

- Reattach the grip panels.
- Perform a function check to ensure the trigger pull is smooth and consistent.
- Store the firearm in a safe location when not in use.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw components in regular household waste. Instead, consider recycling options or consult with local hazardous waste disposal services.

Contact Information for Further Support

For any questions or concerns regarding the installation or use of the 1911 3Piece DropIn Trigger Pull Set, please refer to the contact information provided by your retailer or manufacturer. It is important to seek assistance from qualified professionals if you are unsure about any aspect of the product.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your 1911 3Piece DropIn Trigger Pull Set. Thank you for prioritizing safety and performance.
