

# 1911 3-PIECE DROP-IN TRIGGER PULL SET - CYLINDER & SLIDE MARSOC TRIGGER PULL SET

[Handgun Parts](#) > [Trigger Group Parts](#) > [Performance Enhancing Kits](#)

## Available In Two Configurations To Fit Your Specific Shooting Needs

Commander-style hammer, Tactical sear, and Ultra Match disconnector drop-in to deliver reliable ignition and improved trigger function on any 1911 auto. Each component is precision EDM cut to  $\pm .0005$ " tolerances from Cylinder & Slide's Special Tool Steel. All parts are honed and polished, then heat-treated to Rc 50-53 for long service life. Tactical II Set features the popular Tactical II chamfered hammer in-the-white with standard .018" long hammer hooks for a match-grade trigger pull. Available in Tool Steel or high-grade Stainless Steel alloy. MARSOC Set includes a blued Tactical II-style hammer with longer .023" hammer hooks for added sear engagement and maximum reliability. Used in the U.S. Marine Corps MARSOC service pistols. Added material on the hooks allows fitting by the pistolsmith to achieve a truly custom trigger pull.

## Attributes

# 1911 3PIECE DROPIN TRIGGER PULL SET Safety Instructions

## Introduction

Thank you for choosing the 1911 3Piece Dropin Trigger Pull Set from Cylinder & Slide. This product is designed to enhance the performance of your 1911 auto by providing reliable ignition and improved trigger function. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms and firearm components with care and respect.
- Ensure you are aware of and comply with all local laws and regulations regarding firearms and their components.
- Inspect the product for any signs of damage or wear before installation and use.
- Keep firearms and firearm components out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that you are a qualified individual or have the assistance of a qualified gunsmith when installing this trigger pull set.
- Do not attempt to modify or alter the components of the trigger pull set beyond the manufacturer's specifications.
- Always wear appropriate personal protective equipment (PPE) when handling firearms, including safety glasses and hearing protection.
- Verify that the firearm is unloaded and pointed in a safe direction before beginning any installation or maintenance work.
- Be aware of potential hazards such as sharp edges on components and the risk of accidental discharge during installation.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including screwdrivers, punches, and a bench vise if needed.
- Ensure your work area is clean, welllit, and free of distractions.

### 2. Disassembly of the Firearm

- Follow the manufacturer's instructions for safely disassembling your 1911 auto.
- Remove the existing hammer, sear, and disconnector components.

### 3. Installation of the Trigger Pull Set

#### ◦ **Tactical II Set Installation:**

- Install the Tactical II chamfered hammer into the frame.
- Insert the tactical sear and align it with the hammer.

- Install the ultra match disconnector, ensuring it is seated correctly.
- **MARSOC Set Installation:**
  - Install the blued Tactical IIstyle hammer into the frame.
  - Insert the longer .023" hammer hooks for added sear engagement.
  - Install the disconnector and sear, ensuring proper alignment for reliable function.

#### 4. Final Checks

- After installation, perform a function check to ensure the trigger pull set operates correctly.
- Ensure all parts are securely installed and that there are no loose components.

#### 5. Usage

- Familiarize yourself with the new trigger pull characteristics before using the firearm in a live setting.
- Regularly inspect the trigger pull components for wear and proper function.

## Disposal Instructions

- Dispose of any old or removed components in accordance with local regulations regarding waste disposal.
- Do not dispose of components in a manner that could pose a risk to the environment or public safety.

## Contact Information for Further Support

For any questions or concerns regarding the installation or use of the 1911 3Piece DropIn Trigger Pull Set, please refer to the manufacturer's contact information provided with your product packaging or visit their official website for further assistance.

Thank you for your attention to these safety instructions. Enjoy enhanced performance with your 1911 auto!
