

# 1911 TACTICAL HAMMER - CYLINDER & SLIDE TACTICAL II CHAMFERED HAMMER, SS

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammers](#)

## Hardened-Alloy Steel For Durability & Long Life

Specifically designed for durability and extra-long service life. EDM, wire cut, then CNC, finish machined from A-2 tool steel and hardened to Rc 48-52 so they hold a finely-stoned edge for thousands and thousands of rounds without failure. Pre-prepped hooks and sear face require only final stoning to achieve a clean, crisp trigger pull. Tactical II hammer features relieved sides and chamfered edges to reduce slide drag and clothing wear. All parts checked for proper hardness.

## Attributes

- Name: [CYLINDER & SLIDE TACTICAL II CHAMFERED HAMMER, SS](#)
- Manufacturer: [CYLINDER & SLIDE](#)
- Product no.: 206000055
- Mfr. No.: CS0185
- Finish: Stainless Steel
- Model: Commander, Government, Officers
- Weapon type: 1911
- Delivery weight: 0.018kg
- Shipping height: 3mm
- Shipping width: 79mm
- Shipping length: 150mm
- UPC: 000000001854

## Item details

Made in USA

US export classification: 0A501.c

# Safety Instruction Guide for the 1911 Tactical Hammer

## Introduction

Thank you for choosing the 1911 Tactical Hammer Cylinder & Slide Tactical II Chamfered Hammer. This guide provides important safety instructions to ensure the safe use and maintenance of your product. Please read this document carefully to understand how to use this product safely and effectively.

## General Safety Guidelines

- Ensure the product is installed correctly to avoid any malfunction.
- Always handle the hammer with care, following all firearm safety protocols.
- Regularly inspect the hammer for any signs of wear or damage.
- Keep the hammer and all firearm components out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the 1911 Tactical Hammer with compatible models: Government, Commander, and Officers.
- Make sure to wear appropriate safety gear while handling and installing the hammer.
- Avoid exposing the hammer to extreme temperatures or moisture to prevent corrosion.
- Do not attempt to modify the hammer or use it for any purpose other than intended.
- Always ensure that the firearm is unloaded before installation or maintenance of the hammer.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you have the necessary tools for installation, including a hammer, punch, and appropriate safety gear.
- Read the firearm's manual for specific instructions related to your model.

### 2. Installation Steps:

- Ensure the firearm is completely unloaded.
- Remove the old hammer by following the manufacturer's instructions.
- Clean the hammer slot to remove any debris or residue.
- Install the new 1911 Tactical Hammer by reversing the removal steps.
- Ensure that the hooks and sear face are properly stoned to achieve a clean trigger pull.

### 3. PostInstallation Check:

- Test the trigger pull to ensure it operates smoothly.
- Perform a function check to verify that the hammer engages and releases correctly.
- Inspect for any movement or misalignment.

### 4. Usage:

- Follow all standard operating procedures for the firearm in which the hammer is installed.
- Regularly check the hammer and other components for signs of wear or damage during routine maintenance.

## **Disposal Instructions**

- Dispose of the hammer and any associated components in accordance with local regulations.
- Do not dispose of the hammer in regular household waste. Instead, contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support, please refer to the appropriate contact channels available within your region. Always ensure you have the latest information regarding product safety and compliance.

Thank you for prioritizing safety while using the 1911 Tactical Hammer. Your attention to these guidelines helps ensure a safe and enjoyable experience.
