

# 1911 3-PIECE DROP-IN TRIGGER PULL SET - CYLINDER & SLIDE

## 1911 TACTICAL II HAMMER SET, SS

[Handgun Parts](#) > [Trigger Group Parts](#) > [Performance Enhancing Kits](#)

### Available In Two Configurations To Fit Your Specific Shooting Needs

Commander-style hammer, Tactical sear, and Ultra Match disconnector drop-in to deliver reliable ignition and improved trigger function on any 1911 auto. Each component is precision EDM cut to  $\pm .0005$ " tolerances from Cylinder & Slide's Special Tool Steel. All parts are honed and polished, then heat-treated to Rc 50-53 for long service life. Tactical II Set features the popular Tactical II chamfered hammer in-the-white with standard .018" long hammer hooks for a match-grade trigger pull. Available in Tool Steel or high-grade Stainless Steel alloy. MARSOC Set includes a blued Tactical II-style hammer with longer .023" hammer hooks for added sear engagement and maximum reliability. Used in the U.S. Marine Corps MARSOC service pistols. Added material on the hooks allows fitting by the pistolsmith to achieve a truly custom trigger pull.

# Safety Instruction Guide for 1911 3Piece DropIn Trigger Pull Set

## Introduction

Thank you for choosing the 1911 3Piece DropIn Trigger Pull Set by Cylinder & Slide. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read and follow these instructions carefully.

## General Safety Guidelines

- Ensure that you are familiar with the operation and handling of your firearm before installing or using this product.
- Always treat every firearm as if it is loaded.
- Keep firearms out of reach of children and unauthorized users.
- Store this product in a secure location when not in use.
- Inspect the product for any damage or wear before installation and use.
- Follow all local laws and regulations regarding firearm modifications and use.

## Specific Safety Precautions for Use

- Only install this product on compatible 1911 auto pistols.
- Ensure that the firearm is unloaded before beginning installation.
- Wear appropriate safety gear, including eye protection, during installation.
- Do not attempt to modify or alter the components of this product.
- If you experience any malfunctions or issues during use, discontinue use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch set, hammer, and safety glasses.

### 2. Installation Steps:

- Remove the existing hammer, sear, and disconnector from the firearm.
- Carefully install the Tactical II or MARSOC components as follows:
  - Insert the sear into the frame.
  - Install the disconnector in the appropriate position.
  - Attach the hammer, ensuring proper alignment with the hammer hooks.
- Verify that all components move freely and are properly seated.

### 3. PostInstallation Check:

- Conduct a function test of the firearm to ensure proper operation.
- Confirm that the trigger pull meets your expectations and is functioning correctly.
- If necessary, seek assistance from a qualified gunsmith for adjustments.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If any components of the product are damaged or no longer usable, follow local guidelines for the disposal of firearm parts and materials.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please consult a qualified gunsmith or contact the manufacturer directly. Ensure you provide details of your product and any issues you may be experiencing.

By following these guidelines, you can ensure a safe and effective experience with your 1911 3Piece DropIn Trigger Pull Set. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
