

1911 SUPER LITE LOW MASS SEAR - CYLINDER & SLIDE 1911 SUPER LITE LOW MASS SEAR

[Handgun Parts](#) > [Trigger Group Parts](#) > [Sear Parts](#) > [Sears](#)

Manufactured from the same aero space steel alloy as the Premium Hammers. Extremely low mass due to innovative recontouring. Designed to be used for extremely light trigger pulls. Faster reset time due to low mass which reduces the chance of following with very light trigger pulls. Sear bearing surface micro honed to produce that 2 lb. pull easily. Heat treated to 50-55 Rockwell C for extreme durability.

Safety Instruction Guide for 1911 Super Lite Low Mass Sear

Introduction

Thank you for choosing the 1911 Super Lite Low Mass Sear manufactured by Cylinder & Slide. This product is designed to enhance your shooting experience by providing a lightweight option for trigger pulls. However, it is essential to follow safety guidelines to ensure safe usage and compliance with EU regulations.

General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Always handle firearms safely and responsibly.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:** The product may pose risks if improperly installed or used. These include accidental discharge or malfunction.
- **Avoiding Hazards:**
 - Always ensure the firearm is unloaded before installation or adjustment of the sear.
 - Use appropriate tools and follow installation instructions carefully.
 - Do not exceed the recommended weight for trigger pulls.
 - Be cautious of any modifications that could impact the safety and functionality of the firearm.
- **Age Specific Warning:** This product is intended for use by individuals of legal age who are knowledgeable about firearms. It should not be used by minors.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing sear from the firearm using appropriate tools.
- Carefully install the 1911 Super Lite Low Mass Sear, ensuring it is seated correctly.
- Reassemble the firearm according to the manufacturer's specifications.

2. Usage:

- After installation, test the trigger function in a safe environment.
- Ensure that the trigger pull weight is within the desired specifications (2 lb. pull).
- Regularly check the function of the sear during use to ensure it operates correctly.
- If any issues arise, discontinue use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact a local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries related to product safety or support, please refer to the manufacturer's contact details provided with the product packaging or visit their official website.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your 1911 Super Lite Low Mass S&W. Thank you for your commitment to safety and responsible firearm use.
