

BROWNING HI-POWER EXTENDED/AMBIDEXTROUS SAFETY - CYLINDER & SLIDE C&S BLUE SINGLE EXTENDED SAFETY

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

Wide, Can't-Miss Thumb Pad For Faster Release, Faster Shooting

Easy-to-install, extended safety lever effectively doubles the thumb contact area and makes it easier to find, easier to hit in all duty and combat-style shooting situations. Both ambidextrous and single side extended styles. Serrated, extra wide thumb contact areas with rounded edges to help prevent snagging on holsters or clothing. Faster than small factory safeties when every second counts. Gunsmith fitting required.

BROWNING HIPOWER EXTENDED/AMBIDEXTROUS SAFETY CYLINDER & SLIDE C&S BLUE SINGLE EXTENDED SAFETY Safety Instruction Guide

Introduction

Thank you for choosing the Browning HiPower Extended/Ambidextrous Safety Cylinder & Slide C&S Blue Single Extended Safety. This product is designed to enhance the safety and usability of your firearm. Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms securely and out of reach of children.
- Always wear appropriate safety gear, including eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local and national laws regarding firearm use and safety.

Specific Safety Precautions for Use

• Hazard Identification:

- Improper installation or use of the safety may result in accidental discharge or malfunction.
- Ensure the safety lever is fully engaged before handling the firearm.
- Be cautious of the extended thumb contact areas to prevent snagging on holsters or clothing.

• Avoiding Hazards:

- Always ensure the firearm is unloaded before installing or adjusting the safety.
- Do not force the safety lever; if it does not operate smoothly, consult a qualified gunsmith.
- Regularly inspect the safety for wear or damage and replace if necessary.

• Age Specific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that minors are educated on firearm safety and the proper use of safety devices.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver and any specific tools recommended by a qualified gunsmith.

2. Remove the Existing Safety:

- Carefully remove the current safety lever according to the manufacturer's instructions.
- Take note of the orientation and components for reinstallation.

3. Install the New Safety:

- Align the new extended safety lever with the mounting area.
- Securely fasten the safety lever in place, ensuring it moves freely without obstruction.
- Confirm that the safety engages and disengages properly.

4. Final Check:

- Test the safety mechanism several times to ensure proper function.
- If any issues arise, consult a qualified gunsmith for assistance.

Usage Instructions

- To engage the safety, push the lever upward until it clicks into place.
- To disengage the safety, push the lever downward.
- Practice using the safety in a controlled environment to become familiar with its operation.

Disposal Instructions

- Dispose of any defective or damaged safety levers in accordance with local regulations.
- Do not throw away firearms or firearm components in regular waste. Instead, consult local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Browning HiPower Extended/Ambidextrous Safety Cylinder & Slide C&S Blue Single Extended Safety, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safer experience while using your Browning HiPower firearm. Always prioritize safety and responsibility in all firearm-related activities.
