

BROWNING HI-POWER EXTENDED/AMBIDEXTROUS SAFETY - CYLINDER & SLIDE C&S BLUE AMBIDEXTROUS EXTENDED SAFETY

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

Wide, Can't-Miss Thumb Pad For Faster Release, Faster Shooting

Easy-to-install, extended safety lever effectively doubles the thumb contact area and makes it easier to find, easier to hit in all duty and combat-style shooting situations. Both ambidextrous and single side extended styles. Serrated, extra wide thumb contact areas with rounded edges to help prevent snagging on holsters or clothing. Faster than small factory safeties when every second counts. Gunsmith fitting required.

BROWNING HIPOWER EXTENDED/AMBIDEXTROUS SAFETY CYLINDER & SLIDE C&S BLUE AMBIDEXTROUS EXTENDED SAFETY Safety Instruction Guide

Introduction

Thank you for choosing the BROWNING HIPOWER EXTENDED/AMBIDEXTROUS SAFETY CYLINDER & SLIDE C&S BLUE AMBIDEXTROUS EXTENDED SAFETY. This product is designed to enhance your shooting experience by providing an extended safety lever that is easy to install and use. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition securely and out of reach of children.
- Regularly inspect your firearm and its components for wear and damage.
- Use only the recommended parts and accessories for your firearm.
- Report any unsafe product experiences to the appropriate authorities.
- Check for updates on product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure the firearm is unloaded before beginning the installation process.
- **Ambidextrous Use:** The safety lever is designed for both right and lefthanded users. Familiarize yourself with its operation from both sides before use.
- **Snagging Prevention:** The extended safety lever features rounded edges to minimize snagging. Always ensure your clothing and holster do not interfere with the lever's operation.
- **Gunsmith Fitting:** Professional gunsmith fitting is required for optimal performance. Do not attempt to modify or fit the safety lever without proper expertise.
- **Handling:** Always handle the firearm with care when engaging or disengaging the safety.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools: screwdriver, cleaning cloth, and any additional tools recommended by your gunsmith.

2. Removing the Old Safety:

- Consult your firearm's manual for specific instructions on removing the existing safety lever.
- Carefully detach the old safety lever from the firearm.

3. Installing the New Safety:

- Align the new BROWNING HIPOWER EXTENDED/AMBIDEXTROUS SAFETY with the safety slot.
- Insert the safety lever into the designated area.
- Ensure that the lever is properly seated and secured.

4. Final Checks:

- Test the safety lever to ensure it engages and disengages smoothly.
- Verify that the firearm operates correctly with the new safety installed.

Usage Instructions

- To engage the safety, push the lever down until it clicks into place.
- To disengage the safety, push the lever up until it clicks into the off position.
- Practice using the safety lever in a safe environment to become familiar with its operation.

Disposal Instructions

When disposing of the BROWNING HIPOWER EXTENDED/AMBIDEXTROUS SAFETY, follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods of firearm components.
- Contact local waste management authorities for guidance on safe disposal.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to the manufacturer or authorized dealer. Always ensure that you have the product details ready for any support requests.

Thank you for taking the time to read this safety instruction guide. Your safety and the safety of others is paramount when handling firearms. Enjoy your enhanced shooting experience with the BROWNING HIPOWER EXTENDED/AMBIDEXTROUS SAFETY CYLINDER & SLIDE C&S BLUE AMBIDEXTROUS EXTENDED SAFETY.
