

# BROWNING HI-POWER WIDE COMBAT - CYLINDER & SLIDE BROWNING HI-POWER TRIGGER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

## Smooth Combat Style, Lightens "Felt" Trigger Pull

Drop-in replacement trigger gives increased leverage for lighter "felt" trigger pull. Wide, smooth face provides faster trigger access for better combat shooting. Installation deactivates magazine disconnect so actual trigger pull may measure lighter.

## Attributes

# Safety Instruction Guide for BROWNING HIPOWER WIDE COMBAT CYLINDER & SLIDE BROWNING HIPOWER TRIGGER

## Introduction

Thank you for choosing the BROWNING HIPOWER WIDE COMBAT CYLINDER & SLIDE BROWNING HIPOWER TRIGGER. This guide provides important safety information and instructions for the proper use and installation of your product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the trigger is compatible with your Browning HiPower model before installation.
- Always keep firearms unloaded until ready to use.
- Store firearms and ammunition securely and out of reach of children.
- Use the product only as intended and according to the manufacturer's instructions.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Trigger Pull Weight:** After installation, the actual trigger pull may be lighter due to the deactivation of the magazine disconnect. Exercise caution and familiarize yourself with the new trigger pull weight.
- **Installation Awareness:** Improper installation may lead to malfunctions. Follow the installation instructions carefully.
- **Target Audience:** This product is intended for use by individuals who are knowledgeable about firearms. It is not suitable for inexperienced users or children.
- **Usage Environment:** Only use this product in a safe and controlled environment. Avoid crowded areas when practicing shooting.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., screwdriver, punch).

### 2. Installation Steps:

- Remove the existing trigger from your Browning HiPower by following the manufacturer's guidelines.
- Carefully install the BROWNING HIPOWER WIDE COMBAT TRIGGER by aligning it with the trigger mechanism.
- Ensure that all components are securely in place.
- Reassemble the firearm according to the manufacturer's instructions.

### 3. Testing:

- After installation, conduct a function check to ensure the trigger operates correctly.
- Test the trigger pull in a safe environment before using the firearm for shooting.

#### **4. Usage:**

- Practice proper shooting techniques to make the most of the enhanced trigger access.
- Always adhere to firearm safety rules while shooting.

## **Disposal Instructions**

- When disposing of the product, follow local regulations for the disposal of firearm components.
- Do not dispose of the product in regular household waste.
- Contact local authorities for guidance on the safe disposal of firearm parts.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the BROWNING HIPOWER WIDE COMBAT CYLINDER & SLIDE BROWNING HIPOWER TRIGGER, please refer to the manufacturer's website or customer service resources.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Your responsible use of this product contributes to a safer environment for all.
