

COMMANDER-STYLE HAMMER for BROWNING HI-POWER - CYLINDER & SLIDE BLUE STANDARD

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammers](#)

Narrowed, Lighter, Commander-Style; Ends Hammer Bite

Premium, hardened and heat treated, combat grade hammer is fully EDM machined for better fit, function and longer life. Oversized fitting pads below the full cock notch help the gunsmith achieve proper sear engagement and a smoother trigger pull. Exposed edges are chamfered to minimize slide drag and clothing wear. Standard - fine line serrated, round spur is easy to cock, has attractive style.

COMMANDERSTYLE HAMMER for BROWNING HIPOWER CYLINDER & SLIDE BLUE STANDARD Safety Instruction Guide

Introduction

Thank you for choosing the COMMANDERSTYLE HAMMER for your BROWNING HIPOWER. This guide provides essential safety instructions and information to ensure the safe use and maintenance of the product. Please read this manual carefully before using the hammer.

General Safety Guidelines

- Always handle the hammer with care and keep it out of reach of children.
- Ensure that you are in a safe environment when using the hammer.
- Use the hammer only for its intended purpose as outlined in this guide.
- Inspect the hammer regularly for any signs of damage or wear.
- If you notice any irregularities, discontinue use immediately and consult a qualified gunsmith.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Always wear appropriate safety gear, including eye protection, when working with firearms.
- Avoid using the hammer in wet or damp conditions to prevent slipping or accidents.
- Do not modify the hammer in any way; alterations may compromise safety and functionality.
- Keep your hands clear of the hammer's moving parts during use.
- Ensure that the hammer is properly installed to avoid malfunctions.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary tools for installation.

2. Installation:

- Remove the existing hammer from the firearm following the manufacturer's instructions.
- Take the COMMANDERSTYLE HAMMER and align it with the hammer pin hole.
- Gently push the hammer into place, ensuring that it fits snugly.
- Secure the hammer with the appropriate retaining mechanism as per the firearm's specifications.

3. Usage:

- To use the hammer, ensure the firearm is in a safe condition.
- Cock the hammer using the round spur, which is designed for ease of use.
- Ensure that the firearm is pointed in a safe direction while operating the hammer.
- After use, return the hammer to its resting position and ensure the firearm is secured.

Disposal Instructions

- Dispose of the hammer in accordance with local regulations regarding firearm accessories.
- If the hammer is damaged beyond repair, contact a local waste management service for safe disposal options.
- Ensure that the hammer is rendered unusable before disposal to prevent accidents.

Contact Information for Further Support

For any questions or concerns regarding the COMMANDERSTYLE HAMMER, please consult a qualified gunsmith or contact the manufacturer directly. Ensure that you have the product details ready for a more efficient support experience.

Thank you for prioritizing safety. Enjoy using your COMMANDERSTYLE HAMMER responsibly.
