1911 High Grip Thumb Safety Cylinder & Slide Safety Instructions

Introduction

Thank you for choosing the 1911 High Grip Thumb Safety Cylinder & Slide. This product is designed for tactical applications and provides an enhanced grip for improved safety and performance. Please read this safety instruction guide carefully to ensure proper use and installation of the product.

General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always treat firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the thumb safety is engaged when the firearm is not in use.
- Store firearms in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the thumb safety for any signs of wear or damage.
- Do not modify the product in any way that may compromise its safety or functionality.

Specific Safety Precautions for Use

When using the 1911 High Grip Thumb Safety, please observe the following precautions:

- Ensure that the firearm is unloaded before installation or adjustment of the thumb safety.
- Use the thumb safety only with compatible models: Government, Commander, and Officers.
- Be cautious when handling the firearm to prevent accidental discharge.
- Avoid wearing loose clothing that may interfere with the operation of the thumb safety.
- Ensure that the thumb pad is properly fitted and does not obstruct the operation of the firearm.

Instructions for Installation and Usage

Follow these steps for proper installation and usage of the 1911 High Grip Thumb Safety:

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather the necessary tools for installation.

2. Installation Steps

- Remove the existing thumb safety if applicable.
- Align the new thumb safety with the frame of the firearm.
- Ensure the bottom edge of the thumb safety matches the contours of the frame.
- Secure the thumb safety in place, ensuring it operates smoothly.
- Minor fitting may be required for proper installation; consult a qualified gunsmith if necessary.

3. Usage Instructions

- To engage the thumb safety, press the thumb pad downwards until it clicks into place.
- To disengage, press the thumb pad upwards.
- Always verify that the thumb safety is functioning correctly before using the firearm.

Disposal Instructions

When disposing of the 1911 High Grip Thumb Safety, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for the proper disposal of firearm accessories.
- Consider recycling metal components where applicable.

Contact Information for Further Support

For any safety inquiries or further support regarding the 1911 High Grip Thumb Safety, please refer to the manufacturer's contact information included with your product packaging. It is important to have access to assistance for any safety concerns or product issues.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the 1911 High Grip Thumb Safety Cylinder & Slide. Always prioritize safety when handling firearms and their accessories. Thank you for your attention to these guidelines, and enjoy your product responsibly.
