# 1911 HIGH GRIP THUMB SAFETY CYLINDER & SLIDE STAINLESS STEEL SINGLE SAFETY Safety Instruction Guide

## Introduction

Thank you for choosing the 1911 High Grip Thumb Safety Cylinder & Slide Stainless Steel Single Safety. This product is designed for tactical applications, ensuring safe handling and operation of your firearm. Please read this safety instruction guide carefully to ensure proper use and compliance with safety regulations.

## General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always treat firearms as if they are loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms safely and securely, away from children and unauthorized users.
- Use only compatible products and accessories with your firearm.
- Regularly inspect your firearm and accessories for wear and damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

When using the 1911 High Grip Thumb Safety, please observe the following precautions:

- Ensure that the firearm is unloaded before installing or adjusting the thumb safety.
- Do not force the thumb safety into place; minor fitting may be required.
- Avoid using the thumb safety if it shows signs of damage or malfunction.
- Use the thumb safety only with compatible models: Government, Commander, and Officers.
- Always check that the thumb safety is functioning correctly before use.

## Instructions for Installation and Usage

Follow these steps to ensure proper installation and usage of the 1911 High Grip Thumb Safety:

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for minor fitting if required.

### 2. Installation:

- Remove the existing thumb safety from your firearm according to the manufacturer's instructions.
- Align the new thumb safety with the frame of the firearm.
- If necessary, perform minor fitting to ensure a snug and secure fit.
- Once fitted, ensure the thumb safety operates smoothly without obstruction.

### 3. Usage:

- To engage the thumb safety, push it down fully until it clicks into place.
- To disengage, push the thumb safety back up to its original position.
- Always verify that the thumb safety is engaged when the firearm is not in use.

## **Disposal Instructions**

When disposing of the 1911 High Grip Thumb Safety, follow these guidelines:

- Dispose of in accordance with local regulations regarding metal and firearm accessories.
- If the product is damaged, ensure it is rendered unusable before disposal.
- Consider recycling metal components where facilities are available.

## **Reporting Unsafe Products**

In the event you encounter any issues with the product, including safety concerns or malfunctions, please report these to the appropriate authorities. Stay informed about recalls and safety updates by checking the EU's Safety Gate platform regularly.

By following these guidelines and instructions, you can ensure a safe and effective experience with your 1911 High Grip Thumb Safety. Thank you for prioritizing safety in your firearm usage.
