

AR-15 TACTICAL TRIGGER GROUP - CMC TRIGGERS STANDARD CURVED TRIGGER, 3.5 LB PULL

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Drop-In Trigger Module Is Factory Tuned For A Super Smooth, Clean-Breaking Pull

CMC's self-contained, drop-in trigger module replaces the heavy factory trigger found in many commercial AR-15s and delivers a crisp, clean pull with a consistent, pre-set pull weight. Originally designed by competition shooter Chip McCormick to provide all the advantages of a fine, match-grade, single-stage trigger without having to fit and adjust multiple components. A rigid, steel, trigger housing holds all the factory-tuned internal components in proper alignment for easy, fast installation. Generous, precision-ground sear/hammer engagement surfaces provide a remarkably clean, crisp release while preserving reliable function. Each trigger assembly is tweaked at the factory to minimize take-up and over-travel. Threaded sleeves provide ultra-smooth pivot surfaces for the hammer and trigger. Two, slightly oversized center pins replace the standard, trigger/hammer pins to save wear, reduce friction, and prevent trigger wobble; "Chicago"-style screws prevent pin walk. CMC single-stage AR-15 triggers are available with traditional Curved trigger shoe, or skeletonized Flat shoe that provides a different feel some shooters prefer and gives your AR a distinctive look. Two-stage models also available - see separate listing.

Attributes

- Name: [CMC TRIGGERS STANDARD CURVED TRIGGER, 3.5 LB PULL](#)
- Manufacturer: [CMC TRIGGERS](#)
- Product no.: 207000017
- Mfr. No.: 91501
- Make: AR-15,AR .308
- Style: Drop-In
- Delivery weight: 0.091kg
- UPC: 850544004008

Item details

Made in USA

US export classification: 0A501.c

Safety Instruction Guide for AR15 Tactical Trigger Group CMC Triggers Standard Curved Trigger, 3.5 LB Pull

Introduction

Thank you for purchasing the AR15 Tactical Trigger Group by CMC Triggers. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your trigger module. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a trigger module for AR15 or AR308 firearms.
- Always handle firearms with care and follow standard firearm safety practices.
- Keep the trigger module and all firearms out of reach of children and unauthorized users.
- Regularly inspect the trigger module for signs of wear or damage before each use.
- If you suspect any issues with the trigger module, do not use it and seek professional assistance.
- Be aware of your local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the trigger module.
- Do not modify the trigger module or attempt to disassemble it beyond the installation instructions provided.
- Avoid using the trigger module in extreme conditions, including excessive moisture or extreme temperatures, which may affect its performance.
- Use the trigger module only with compatible firearms that meet the specifications outlined in this guide.
- Ensure that all safety mechanisms on the firearm are functioning correctly before use.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools, including a punch tool for pin removal, if needed.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the existing trigger from the firearm following the manufacturer's instructions.
- Align the CMC trigger module in the trigger housing.
- Insert the provided Chicagostyle center pins through the trigger and hammer to secure them in place.
- Ensure that the trigger module is seated correctly and that there is no movement when engaged.

3. Testing:

- After installation, conduct a function test with the firearm unloaded.
- Check for smooth operation of the trigger and hammer. There should be no excessive play or resistance.

4. Usage:

- When ready to use the firearm, ensure that it is pointed in a safe direction.
- Keep your finger off the trigger until you are ready to fire.
- Maintain proper shooting stance and grip to ensure control of the firearm.

5. PostUse:

- After using the firearm, clean and inspect the trigger module and firearm according to the manufacturer's recommendations.
- Store the firearm and trigger module securely when not in use.

Disposal Instructions

- Dispose of the trigger module in accordance with local regulations for electronic waste and firearm accessories.
- Do not dispose of the trigger module in regular household waste.
- Check with local authorities or waste management facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Tactical Trigger Group, please refer to the manufacturer's contact information included with your product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and enjoyable experience with your AR15 Tactical Trigger Group. Always prioritize safety and compliance with local laws when handling firearms and their accessories.
