

AR-15 TACTICAL TRIGGER GROUP - CMC TRIGGERS STANDARD FLAT TRIGGER, 3.5 LB PULL

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Drop-In Trigger Module Is Factory Tuned For A Super Smooth, Clean-Breaking Pull

CMC's self-contained, drop-in trigger module replaces the heavy factory trigger found in many commercial AR-15s and delivers a crisp, clean pull with a consistent, pre-set pull weight. Originally designed by competition shooter Chip McCormick to provide all the advantages of a fine, match-grade, single-stage trigger without having to fit and adjust multiple components. A rigid, steel, trigger housing holds all the factory-tuned internal components in proper alignment for easy, fast installation. Generous, precision-ground sear/hammer engagement surfaces provide a remarkably clean, crisp release while preserving reliable function. Each trigger assembly is tweaked at the factory to minimize take-up and over-travel. Threaded sleeves provide ultra-smooth pivot surfaces for the hammer and trigger. Two, slightly oversized center pins replace the standard, trigger/hammer pins to save wear, reduce friction, and prevent trigger wobble; "Chicago"-style screws prevent pin walk. CMC single-stage AR-15 triggers are available with traditional Curved trigger shoe, or skeletonized Flat shoe that provides a different feel some shooters prefer and gives your AR a distinctive look. Two-stage models also available - see separate listing.

Attributes

- Name: [CMC TRIGGERS STANDARD FLAT TRIGGER, 3.5 LB PULL](#)
- Manufacturer: [CMC TRIGGERS](#)
- Product no.: 207000018
- Mfr. No.: 91503
- Style: Drop-In
- Weapon type: AR .308,AR-15
- Delivery weight: 0.091kg
- Shipping height: 15mm
- Shipping width: 84mm
- Shipping length: 168mm
- UPC: 850544004022

Consumer Safety Instruction Guide for AR15 Tactical Trigger Group CMC Triggers Standard Flat Trigger

Introduction

Thank you for choosing the AR15 Tactical Trigger Group CMC Triggers Standard Flat Trigger. This guide provides essential safety instructions and guidelines for the proper use and installation of your trigger group. It is important to follow these instructions to ensure safe operation and compliance with EU safety regulations.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the trigger group by following all instructions. This product is intended for use in AR15 and AR308 firearms only.
- **Enhanced Recalls:** Stay informed about any potential recalls. If a recall occurs, you will be provided with standardized notices and remedies.
- **Online Shopping:** If purchased online, ensure the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is not suitable for children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the manufacturer's contact information, which will be provided separately.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation can lead to malfunctions, resulting in potential injury.
 - Ensure that the trigger group is compatible with your firearm model.
- **Avoiding Hazards:**
 - Always ensure the firearm is unloaded before installation or maintenance.
 - Do not attempt to modify or disassemble the trigger group beyond the provided installation instructions.
 - Use appropriate personal protective equipment (PPE) when handling firearms.
- **Age Restrictions:** This product is intended for use by individuals of legal age and who are knowledgeable about firearms.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is completely unloaded and pointed in a safe direction.
 2. Remove the existing trigger group from the firearm, following the manufacturer's guidelines.
 3. Carefully insert the CMC trigger group into the trigger housing.
 4. Align the threaded sleeves and insert the oversized center pins to secure the trigger group in place.
 5. Ensure that all components are properly aligned and functioning before reassembling the firearm.
- **Usage:**
 - Practice safe handling techniques at all times.
 - Familiarize yourself with the trigger pull weight and ensure that it meets your requirements.
 - Regularly inspect the trigger group for wear and proper function.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the trigger group becomes damaged or is no longer in use, consult local regulations for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety or functionality of your AR15 Tactical Trigger Group CMC Triggers Standard Flat Trigger, please refer to the manufacturer's contact information provided at the time of purchase or on the product packaging.

By following this guide, you can ensure the safe and effective use of your AR15 Tactical Trigger Group. Always prioritize safety and stay informed about product updates and recalls.
