

1911 10RD 45ACP POWER PLUS MAGAZINE - CHIP MCCORMICK CUSTOM POWER MAG PLUS .45 ACP 10 ROUND STAINLESS

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Premium, No-Fail Features Plus Additional Rounds

Built to the very highest standards for the no-fail performance competitive and self-defense shooters demand. Feed lips are roll-formed and polished, not die cut, for added strength, and Chip's follower design provides flawless feeding with semi-wadcutters and hollow points. Powerful spring of proprietary, heat-treated Rocket Wire further ensures reliable feeding, even when left fully loaded and seated in a pistol for extended periods. Removable plastic base pad with full, front-to-back engagement, is built to withstand continual use, and numbered witness holes on both sides of the body provide a fast, visible round count. Long-body 10-round model has base pad that wraps around exposed portion of magazine that extends beyond mag well. Power Plus models have an advanced anti-tilt follower for even more stable support of the round stack—extra insurance that every round feeds, first to last. Replacement Power Mag Springs and Followers available separately.

Safety Instruction Guide for 1911 10RD 45ACP POWER PLUS MAGAZINE CHIP MCCORMICK CUSTOM POWER MAG PLUS

Introduction

Thank you for choosing the 1911 10RD 45ACP POWER PLUS MAGAZINE by Chip McCormick Custom. This guide provides essential safety instructions, usage guidelines, and contact information to ensure safe handling and operation of your magazine. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that all users are familiar with the safe handling and operation of firearms.
- Always treat the magazine as if it is loaded.
- Store the magazine in a secure location, out of reach of children and unauthorized users.
- Inspect the magazine regularly for signs of damage or wear.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Do not exceed the magazine's specified capacity of 10 rounds.
- Use only .45 ACP ammunition that is compatible with your firearm.
- Avoid using damaged or worn magazines, as they may cause malfunctions.
- Ensure that the magazine is properly seated in the firearm before use.
- Do not attempt to modify or disassemble the magazine.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Firmly press the magazine into the well until it clicks into place.

2. Loading the Magazine:

- Use only .45 ACP cartridges.
- Start by pressing the follower down slightly to create space for the first round.
- Insert the first round with the bullet facing forward.
- Repeat this process until the magazine is loaded to its maximum capacity of 10 rounds.
- Ensure that the rounds are stacked properly and the follower is seated correctly.

3. Using the Magazine:

- Insert the loaded magazine into the firearm as described in the installation section.
- Ensure that the magazine is securely locked in place.
- Follow standard firearm safety practices when handling and firing your weapon.

4. Unloading the Magazine:

- Point the firearm in a safe direction.
- Remove the magazine from the firearm by pressing the magazine release button.

- Eject any remaining rounds by pressing the follower down and removing them one by one.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding firearm accessories.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Dispose of it responsibly.

Contact Information for Further Support

For safety inquiries or concerns regarding the 1911 10RD 45ACP POWER PLUS MAGAZINE, please refer to the EU-based contact point provided by the manufacturer. Ensure you have the product information on hand when reaching out for assistance.

By following these guidelines, you can ensure safe and effective use of your Chip McCormick Custom magazine. Always prioritize safety and compliance with local laws during your shooting activities.
