

DROP-IN TRIGGER KIT FOR GLOCK - CMC TRIGGERS DROP-IN TRIGGER KIT FOR GLOCK 9MM GEN 1-3 BLACK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Ultra-Crisp Trigger, Glass Smooth Break

Bringing a wealth of knowledge and experience from its presence in the aftermarket for AR-15 triggers, CMC Triggers entered the handgun market with a modified trigger unit for one of the world's most-popular handgun designs: the Glock. Each CMC Glock Replacement Trigger provides owners with a drop-in unit designed to instantaneously enhance the performance of their gun's trigger. The CMC Triggers Glock Replacement Trigger is a complete unit that features OEM internals, including a Glock OEM trigger bar, springs and housing. However, the design features a flat-faced trigger shoe with a hooked bottom that reduces pull weight by two pounds over the OEM design. The trigger is constructed from a combination of 8620 alloy steel and S7 tool steel and features a positive trigger reset.

Attributes

- Name: [CMC TRIGGERS DROP-IN TRIGGER KIT FOR GLOCK 9MM GEN 1-3 BLACK](#)
- Manufacturer: [CMC TRIGGERS](#)
- Product no.: 207000037

Safety Instruction Guide for DROPIN TRIGGER KIT FOR GLOCK CMC TRIGGERS

Introduction

Thank you for choosing the DROPIN TRIGGER KIT FOR GLOCK CMC TRIGGERS. This guide provides essential safety instructions and information to ensure the safe use and installation of your new trigger kit. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents and injuries.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Store the trigger kit and firearms in a secure location, away from children and unauthorized users.
- Regularly check for any product recalls or safety alerts related to this product on the EU Safety Gate platform.
- If you notice any unusual behavior or performance from your firearm after installation, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Only use this trigger kit with compatible Glock models (9MM GEN 13).
- Ensure that the firearm is unloaded before beginning installation.
- Wear appropriate safety gear, including eye protection, when working with firearms.
- Do not modify the trigger kit or any other components of the firearm beyond the manufacturer's specifications.
- Keep your fingers off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., punch tool, hammer).

2. Installation Steps:

- Remove the slide from the Glock by following the manufacturer's instructions.
- Remove the existing trigger assembly from the firearm.
- Install the CMC Triggers Glock Replacement Trigger by following these steps:
 - Insert the trigger bar into the trigger housing.
 - Align the trigger shoe with the trigger bar and secure it in place.
 - Reinstall the trigger assembly into the firearm, ensuring all parts are properly seated.
- Reattach the slide to the firearm.

3. PostInstallation Checks:

- Conduct a function check by cycling the action and ensuring the trigger operates correctly.
- Verify that the trigger reset is functioning properly before live fire.

4. Usage:

- When using the firearm, maintain proper shooting stance and grip.
- Follow all local laws and regulations regarding firearm usage and ownership.

Disposal Instructions

- Dispose of the trigger kit in accordance with local regulations regarding electronic and mechanical waste.
- Do not dispose of the trigger kit in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the DROPIN TRIGGER KIT FOR GLOCK CMC TRIGGERS, please refer to the manufacturer's contact information provided with the product packaging or visit the official website.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority. Enjoy your new trigger kit responsibly!
