

DROP-IN TRIGGER KIT FOR GLOCK - CMC TRIGGERS GLOCK GEN 4 TRIGGER ASSEMBLY

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Ultra-Crisp Trigger, Glass Smooth Break

Bringing a wealth of knowledge and experience from its presence in the aftermarket for AR-15 triggers, CMC Triggers entered the handgun market with a modified trigger unit for one of the world's most-popular handgun designs: the Glock. Each CMC Glock Replacement Trigger provides owners with a drop-in unit designed to instantaneously enhance the performance of their gun's trigger. The CMC Triggers Glock Replacement Trigger is a complete unit that features OEM internals, including a Glock OEM trigger bar, springs and housing. However, the design features a flat-faced trigger shoe with a hooked bottom that reduces pull weight by two pounds over the OEM design. The trigger is constructed from a combination of 8620 alloy steel and S7 tool steel and features a positive trigger reset.

Safety Instruction Guide for DROPIN TRIGGER KIT FOR GLOCK CMC TRIGGERS GLOCK GEN 4 TRIGGER ASSEMBLY

Introduction

Thank you for choosing the DROPIN TRIGGER KIT FOR GLOCK CMC TRIGGERS GLOCK GEN 4 TRIGGER ASSEMBLY. This product is designed to enhance the performance of your Glock handgun by providing a reliable and efficient trigger system. It is crucial to follow safety guidelines to ensure proper use and to minimize any risks associated with the installation and operation of this trigger kit.

General Safety Guidelines

To ensure safe use of the DROPIN TRIGGER KIT, please adhere to the following guidelines:

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and trigger kit in a secure location, away from children and unauthorized users.
- Be aware of your surroundings and ensure you are in a safe environment when handling firearms.
- Always use appropriate safety gear, such as eye and ear protection, when operating firearms.
- Regularly inspect your firearm and trigger kit for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

When using the DROPIN TRIGGER KIT, please consider the following precautions:

- Ensure that the firearm is unloaded before attempting to install the trigger kit.
- Avoid using the trigger kit if you are under the influence of alcohol, drugs, or any substances that may impair your judgment.
- Do not attempt to modify or disassemble the trigger kit beyond the installation instructions provided.
- Always perform a function check after installation to ensure proper operation before using the firearm.
- Be cautious of the reduced pull weight; familiarize yourself with the trigger's responsiveness to avoid accidental discharges.

Instructions for Installation and Usage

To properly install and use the DROPIN TRIGGER KIT, follow these steps:

1. Preparation

- Ensure you have the necessary tools for installation, including a punch tool and a screwdriver.
- Read through all instructions thoroughly before beginning the installation process.

2. Installation Steps

- Make sure the firearm is unloaded and pointed in a safe direction.
- Remove the slide from the Glock handgun according to the manufacturer's instructions.
- Carefully remove the existing trigger assembly by following these steps:
 - Use the punch tool to drive out the trigger pin.
 - Disconnect the trigger bar and remove the trigger assembly from the frame.
- Install the CMC Triggers Glock Replacement Trigger:

- Position the new trigger assembly into the frame.
- Reconnect the trigger bar and ensure it is seated properly.
- Insert the trigger pin back into place using the punch tool.
- Reassemble the slide onto the frame and ensure it is secure.

3. Function Check

- After installation, perform a function check:
 - Ensure the trigger resets properly.
 - Check for smooth operation and responsiveness.
- If any issues arise, do not use the firearm until the problem is resolved.

4. Usage

- Familiarize yourself with the new trigger's feel and function before using it in a livefire situation.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

When disposing of the DROPIN TRIGGER KIT or any associated components, follow these guidelines:

- Dispose of the product in accordance with local regulations regarding firearm parts and accessories.
- Ensure that all components are rendered unusable before disposal to prevent unauthorized use.
- Consider recycling materials where applicable.

Contact Information for Further Support

For any questions or concerns regarding the DROPIN TRIGGER KIT or its installation, please refer to the manufacturer's website or customer support resources. It is essential to seek assistance from qualified professionals if you encounter any difficulties or have safety concerns.

Conclusion

Your safety and the safe operation of your firearm are of utmost importance. By following these safety instructions and guidelines, you can ensure a positive experience with the DROPIN TRIGGER KIT FOR GLOCK CMC TRIGGERS GLOCK GEN 4 TRIGGER ASSEMBLY. Always prioritize safety and responsible firearm handling.
