

# AK-47 ELITE TRIGGERS DROP-IN - CMC TRIGGERS AK-47 ELITE TRIGGER CURVED 3.5LB PULL

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## A Clean, Smooth, Crisp-Breaking AK Trigger - And It s Drop-In, Too

Most of the time, rifle owners who choose to upgrade their mil-spec trigger are doing so to get greater accuracy out of their rifle. That's why most trigger upgrades have been aimed at AR-15 owners, since the AR-15 is capable of greater precision than, say, the AK-47. However, even though the AK certainly isn't a target rifle, CMC Triggers is now bringing AK owners into the trigger-upgrade world with its AK Elite Trigger Module. Like AR-15 triggers produced by CMC Triggers, the AK Elite Trigger Module is constructed with a trigger body made from 8620 carbons steel, while all the contact points inside the trigger are made from S-7 tool steel. All of the components are housed inside of an aluminum-alloy trigger unit. The trigger can be had with either an AK-style trigger shoe, an AR-15-style curved shoe or a straight target shoe, and factory-set pull weights of 3.5 or 4.5 pounds are available. Each CMC AK Elite Trigger Module is a single-stage design that provides a crisp break and a distinct reset point, as well as a shortened lock time. The entire unit drops in without any modification necessary.

## Attributes

- Name: [CMC TRIGGERS AK-47 ELITE TRIGGER CURVED 3.5LB PULL](#)
- Manufacturer: [CMC TRIGGERS](#)
- Product no.: 207000041
- Mfr. No.: 91601
- Style: Single-Stage
- Weapon type: AK-47
- Delivery weight: 0.116kg
- Shipping height: 51mm
- Shipping width: 127mm
- Shipping length: 191mm
- UPC: 850544004503

## Item details

Made in USA

US export classification: 0A501.c

# Safety Instruction Guide for AK47 Elite Triggers DropIn CMC Triggers

## Introduction

Thank you for choosing the AK47 Elite Trigger DropIn CMC Trigger. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product complies with all local laws and regulations regarding firearm modifications.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Use the trigger only with compatible AK47 models as specified by the manufacturer.
- Keep the trigger and all firearm components out of reach of children and unauthorized persons.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the trigger in a safe and controlled environment.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Do not modify the trigger or any other firearm components beyond the manufacturer's specifications.
- Avoid using the trigger in wet or damp conditions to prevent rust and corrosion.
- Ensure that the firearm is pointed in a safe direction at all times during installation and use.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, if required.

### 2. Installation:

- Remove the existing trigger from the AK47 following the manufacturer's guidelines.
- Carefully insert the AK47 Elite Trigger Module into the trigger housing. Ensure that it fits securely.
- If applicable, attach the desired trigger shoe (AKstyle, AR15style curved, or straight target shoe).
- Check that all components are properly aligned and secured.

### 3. Testing:

- Before using the firearm, perform a function check to ensure the trigger operates correctly.
- Pull the trigger to confirm a crisp break and distinct reset point.
- Ensure that the pull weight is appropriate (3.5 or 4.5 pounds) as per your selection.

### 4. Usage:

- Always follow safe firearm handling practices.
- Be aware of the trigger's sensitivity and ensure that you do not accidentally discharge the firearm.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and firearm components.
- Do not dispose of the trigger in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding safety or product performance, please refer to the manufacturer's contact information provided with your purchase. Ensure you have the model number and purchase details available for reference.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is our priority.
