A Clean, Smooth, Crisp-Breaking AK Trigger - And It s Drop-In, Too

Most of the time, rifle owners who choose to upgrade their mil-spec trigger are doing so to get greater accuracy out of their rifle. That's why most trigger upgrades have been aimed at AR-15 owners, since the AR-15 is capable of greater precision than, say, the AK-47. However, even though the AK certainly isn't a target rifle, CMC Triggers is now bringing AK owners into the trigger-upgrade world with its AK Elite Trigger Module. Like AR-15 triggers produced by CMC Triggers, the AK Elite Trigger Module is constructed with a trigger body made from 8620 carbons steel, while all the contact points inside the trigger are made from S-7 tool steel. All of the components are housed inside of an aluminum-alloy trigger unit. The trigger can be had with either an AK-style trigger shoe, an AR-15-style curved shoe or a straight target shoe, and factory-set pull weights of 3.5 or 4.5 pounds are available. Each CMC AK Elite Trigger Module is a single-stage design that provides a crisp break and a distinct reset point, as well as a shortened lock time. The entire unit drops in without any modification necessary.

Attributes

- Name: [AK-47 ELITE TRIGGER FLAT 3.5LB PULL](#)
- Manufacturer: [CMC TRIGGERS](#)
- Product no.: 207000042
- Mfr. No.: 91603
- Make: AK-47
- Style: Single-Stage
- Delivery weight: 0.136kg
- Shipping height: 25mm
- Shipping width: 127mm
- Shipping length: 178mm
- UPC: 850544004527

AK47 Elite Trigger Safety Instruction Guide

Introduction

Thank you for choosing the AK47 Elite Trigger Module by CMC Triggers. This guide provides essential safety instructions to ensure the safe use and installation of your new trigger. Please read this guide carefully before use to understand the safety precautions and proper handling of the product.

General Safety Guidelines

- Ensure that the trigger is installed by a qualified gunsmith or experienced individual familiar with firearms.
- Always treat every firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the trigger and firearm securely, away from children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and use.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to accidental discharge.
 - Failure to follow safety guidelines can result in injury or death.
- **To Avoid Hazards:**
 - Ensure the firearm is unloaded before starting the installation process.
 - Do not attempt to modify or alter the trigger in any way.
 - Always use protective eyewear when handling firearms.
 - Be aware of your surroundings and ensure a safe environment when using firearms.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is unloaded.
 2. Remove the existing trigger according to the manufacturer's instructions.
 3. Carefully install the AK47 Elite Trigger Module in the trigger housing.
 4. Ensure all components are securely in place and function correctly.
 5. Test the trigger mechanism without ammunition to ensure proper operation.
- **Usage:**
 - Familiarize yourself with the trigger's function before using it in live fire situations.
 - Maintain a firm grip on the firearm and ensure your finger is off the trigger until ready to shoot.
 - Practice safe shooting techniques and follow all range safety rules.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the trigger or any component becomes damaged beyond repair, dispose of it responsibly to prevent unauthorized use.

Contact Information for Further Support

For any questions or concerns regarding the AK47 Elite Trigger Module, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AK47 Elite

Trigger Module. Always prioritize safety and responsible handling of firearms.
