

# AR-15 TACTICAL TRIGGER GROUP - CMC TRIGGERS SINGLE STAGE TRIGGER CURVED 2.5LB PULL

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Drop-In Trigger Module Is Factory Tuned For A Super Smooth, Clean-Breaking Pull

CMC's self-contained, drop-in trigger module replaces the heavy factory trigger found in many commercial AR-15s and delivers a crisp, clean pull with a consistent, pre-set pull weight. Originally designed by competition shooter Chip McCormick to provide all the advantages of a fine, match-grade, single-stage trigger without having to fit and adjust multiple components. A rigid, steel, trigger housing holds all the factory-tuned internal components in proper alignment for easy, fast installation. Generous, precision-ground sear/hammer engagement surfaces provide a remarkably clean, crisp release while preserving reliable function. Each trigger assembly is tweaked at the factory to minimize take-up and over-travel. Threaded sleeves provide ultra-smooth pivot surfaces for the hammer and trigger. Two, slightly oversized center pins replace the standard, trigger/hammer pins to save wear, reduce friction, and prevent trigger wobble; "Chicago"-style screws prevent pin walk. CMC single-stage AR-15 triggers are available with traditional Curved trigger shoe, or skeletonized Flat shoe that provides a different feel some shooters prefer and gives your AR a distinctive look. Two-stage models also available - see separate listing.

## Attributes

- Name: [CMC TRIGGERS SINGLE STAGE TRIGGER CURVED 2.5LB PULL](#)
- Manufacturer: [CMC TRIGGERS](#)
- Product no.: 207000044
- Mfr. No.: 90501
- Style: Single-Stage
- Weapon type: AR-15
- Delivery weight: 0.111kg
- Shipping height: 25mm
- Shipping width: 102mm
- Shipping length: 203mm
- UPC: 859464006505

## Item details

Made in USA

US export classification: 0A501.c

# Safety Instruction Guide for AR15 Tactical Trigger Group

## Introduction

Thank you for choosing the CMC Triggers Single Stage Trigger Curved 2.5lb Pull for your AR15. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new trigger group. Please read this document carefully and follow all instructions to minimize risks and enhance your shooting experience.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and components for wear or damage.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm usage.

## Specific Safety Precautions for Use

- Ensure that the trigger group is compatible with your AR15 model before installation.
- Only use the trigger group with .154" diameter trigger and hammer pins.
- Do not modify or attempt to adjust the trigger pull weight; it is factoryset and not useradjustable.
- Use only highquality ammunition that is appropriate for your firearm.
- Be cautious of the potential for accidental discharge; ensure the firearm is on safe when not in use.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger group from the AR15.
- Insert the CMC trigger module into the trigger housing.
- Align the trigger and hammer pins with the holes in the lower receiver.
- Use the provided Chicagostyle center pins to secure the trigger group in place.
- Ensure that the trigger and hammer move freely without obstruction.
- Check for proper function before using the firearm.

### 2. Usage Instructions:

- Familiarize yourself with the trigger's operation before shooting.
- Practice safe handling and shooting techniques at all times.
- If possible, seek professional training on the use of your firearm and trigger system.

## Disposal Instructions

- Dispose of the trigger group in accordance with local regulations.
- Do not dispose of the trigger group in regular household waste.
- Contact a local firearms dealer or recycling center for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your CMC Triggers Single Stage Trigger, please reach out to your local firearms dealer or manufacturer for assistance. Always ensure that you have access to reliable support for any safety inquiries.

By following these guidelines, you can ensure a safe and enjoyable experience with your AR15 Tactical Trigger Group. Remember that safety is paramount when handling firearms, and it is your responsibility to adhere to these instructions. Thank you for your attention to these important safety measures.
