

# AR-15 TACTICAL TRIGGER GROUP - CMC TRIGGERS SINGLE STAGE TRIGGER CURVED 4 LB PULL

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Drop-In Trigger Module Is Factory Tuned For A Super Smooth, Clean-Breaking Pull

CMC's self-contained, drop-in trigger module replaces the heavy factory trigger found in many commercial AR-15s and delivers a crisp, clean pull with a consistent, pre-set pull weight. Originally designed by competition shooter Chip McCormick to provide all the advantages of a fine, match-grade, single-stage trigger without having to fit and adjust multiple components. A rigid, steel, trigger housing holds all the factory-tuned internal components in proper alignment for easy, fast installation. Generous, precision-ground sear/hammer engagement surfaces provide a remarkably clean, crisp release while preserving reliable function. Each trigger assembly is tweaked at the factory to minimize take-up and over-travel. Threaded sleeves provide ultra-smooth pivot surfaces for the hammer and trigger. Two, slightly oversized center pins replace the standard, trigger/hammer pins to save wear, reduce friction, and prevent trigger wobble; "Chicago"-style screws prevent pin walk. CMC single-stage AR-15 triggers are available with traditional Curved trigger shoe, or skeletonized Flat shoe that provides a different feel some shooters prefer and gives your AR a distinctive look. Two-stage models also available - see separate listing.

## Attributes

- Name: [CMC TRIGGERS SINGLE STAGE TRIGGER CURVED 4 LB PULL](#)
- Manufacturer: [CMC TRIGGERS](#)
- Product no.: 207000046
- Mfr. No.: 92501
- Style: Single-Stage
- Weapon type: AR-15
- Delivery weight: 0.112kg
- Shipping height: 203mm
- Shipping width: 102mm
- Shipping length: 203mm
- UPC: 850544004084

## Item details

Made in USA

US export classification: 0A501.c

# AR15 Tactical Trigger Group Safety Instructions

## Introduction

Thank you for choosing the AR15 Tactical Trigger Group by CMC Triggers. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your trigger module. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this product.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition securely to prevent unauthorized access, especially from children.
- Use appropriate eye and ear protection when handling firearms.
- Regularly inspect your trigger group and firearm for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- This trigger module is designed for use with AR15 and AR308 rifles that utilize AR15 trigger and hammer pins.
- Ensure that the trigger and hammer pins have a diameter of .154 inches.
- Do not attempt to modify or adjust the trigger pull weight, as it is fixed and not useradjustable.
- Use only the provided Chicagostyle center pins to secure the trigger assembly.
- Avoid using the trigger module if it shows signs of damage or malfunction.
- Ensure that the firearm is unloaded before installation or maintenance of the trigger group.
- Only use the trigger module with compatible firearms to prevent malfunction.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch tool for pin installation.

### 2. Installation Steps:

- Remove the existing trigger assembly from your AR15 or AR308.
- Align the CMC trigger module with the trigger and hammer pin holes in the receiver.
- Insert the provided Chicagostyle center pins into the trigger and hammer pin holes to secure the module in place.
- Ensure that the trigger and hammer move freely without obstruction.
- Doublecheck that all components are properly aligned and secured.

### 3. Usage:

- Familiarize yourself with the trigger pull before firing.
- Practice safe firearm handling techniques at all times.
- If you experience any issues with the trigger operation, cease use immediately and consult a qualified gunsmith.

## **Disposal Instructions**

- Dispose of the trigger module in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Check with local authorities for designated disposal sites or recycling programs.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Tactical Trigger Group, please consult the manufacturer or a qualified firearms expert. Ensure that you have all relevant information on hand to facilitate assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your AR15 Tactical Trigger Group. Always prioritize safety and responsible firearm handling.
