

AR-15 TACTICAL TRIGGER GROUP - SINGLE STAGE TRIGGER FLAT 6 LB PULL

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Drop-In Trigger Module Is Factory Tuned For A Super Smooth, Clean-Breaking Pull

CMC's self-contained, drop-in trigger module replaces the heavy factory trigger found in many commercial AR-15s and delivers a crisp, clean pull with a consistent, pre-set pull weight. Originally designed by competition shooter Chip McCormick to provide all the advantages of a fine, match-grade, single-stage trigger without having to fit and adjust multiple components. A rigid, steel, trigger housing holds all the factory-tuned internal components in proper alignment for easy, fast installation. Generous, precision-ground sear/hammer engagement surfaces provide a remarkably clean, crisp release while preserving reliable function. Each trigger assembly is tweaked at the factory to minimize take-up and over-travel. Threaded sleeves provide ultra-smooth pivot surfaces for the hammer and trigger. Two, slightly oversized center pins replace the standard, trigger/hammer pins to save wear, reduce friction, and prevent trigger wobble; "Chicago"-style screws prevent pin walk. CMC single-stage AR-15 triggers are available with traditional Curved trigger shoe, or skeletonized Flat shoe that provides a different feel some shooters prefer and gives your AR a distinctive look. Two-stage models also available - see separate listing.

Attributes

- Name: [SINGLE STAGE TRIGGER FLAT 6 LB PULL](#)
- Manufacturer: [CMC TRIGGERS](#)
- Product no.: 207000051
- Mfr. No.: 94503

AR15 Tactical Trigger Group Safety Instructions

Introduction

Thank you for choosing the AR15 Tactical Trigger Group. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your trigger. Please read and follow these instructions carefully to minimize risks and ensure a positive experience with your product.

General Safety Guidelines

- **Product Safety:** This trigger group is designed to enhance the performance of your AR15 while ensuring safe use. Always follow safety protocols when handling firearms.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can find updates on the EU's Safety Gate platform.
- **Online Shopping:** If you purchased this product online, ensure that the seller complies with EU safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored safely and out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by your supplier or manufacturer.
- **Rapid Alerts:** Monitor the Safety Gate system for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Read All Instructions:** Before installation and use, read all instructions carefully to understand the proper operation of the trigger group.
- **Use Appropriate Firearm:** Ensure that the trigger group is compatible with your AR15 or AR308 that uses AR15 trigger specifications.
- **Check for Damage:** Inspect the trigger group for any signs of damage before installation. Do not use if damaged.
- **Avoid Modifications:** Do not attempt to modify the trigger group. Alterations can compromise safety and performance.
- **Wear Protective Gear:** Always wear appropriate safety gear, such as eye protection, when handling firearms.
- **Follow Local Laws:** Ensure compliance with all local laws and regulations regarding firearm modifications and usage.

Instructions for Installation and Usage

1. Preparation

- Ensure you are in a safe and controlled environment.
- Gather necessary tools and equipment for installation.

2. Installation Steps

- Unload your firearm and ensure it is pointed in a safe direction.
- Remove the factory trigger group from your AR15 following the manufacturer's guidelines.
- Install the CMC trigger group by aligning it with the trigger housing and inserting the provided Chicagostyle center pins.
- Ensure that all components are securely in place and that there is no movement.

3. Testing the Trigger

- After installation, conduct a function check to ensure that the trigger operates correctly.
- Follow the manufacturer's guidelines for testing the trigger pull weight and reset.

4. Usage Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a clear line of sight before firing.

Disposal Instructions

- Dispose of the trigger group in accordance with local regulations regarding firearm components.
- Do not dispose of in regular household waste. Check for designated disposal facilities or programs in your area.

Contact Information for Further Support

For additional support or inquiries regarding your AR15 Tactical Trigger Group, please refer to the contact information provided by your supplier or manufacturer. They can assist you with any questions or concerns related to product safety and usage.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your AR15 Tactical Trigger Group. Thank you for your attention to safety and responsible firearm handling.
