

1911 COMPACT MATCH GRADE MAGAZINE 9MM 8RD - CHIP MCCORMICK CUSTOM MATCH GRADE MAGAZINE 9MM 8-ROUND STAINLESS

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

This CMC Products Match Grade magazine is based off of a traditional USGI-style fixed base magazine with improvements in follower design, feed lip geometry, and materials. Part of what leads these CMC magazine to have been given the Match Grade name is the fact that tolerances are held to +/- .001", which is more than 75% tighter than magazines made to typical military specifications. These have a stainless steel USGI style body with enhanced feed lips, a stainless steel follower, and a high tensile rocket wire spring. Numbered witness hole allow for a visual round count. 9mm Fits All Compact (Officer's Model) 1911 Handguns 8 Round Capacity The CMC Products Match Grade magazine has a flush fit for minimal bulk and easy concealment.

Safety Instruction Guide for 1911 Compact Match Grade Magazine 9MM 8RD

Introduction

Thank you for choosing the 1911 Compact Match Grade Magazine by Chip McCormick Custom. This guide provides essential safety instructions to ensure the safe use of your magazine. It is crucial to adhere to these guidelines to avoid potential hazards and ensure a safe shooting experience.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and magazines securely to prevent unauthorized access.
- Regularly inspect your magazine for wear and damage before use.
- Use only the specified ammunition (9 mm Luger) with this magazine.
- Do not exceed the magazine's capacity of 8 rounds.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm use and storage.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper handling may lead to accidental discharge.
- Using incompatible ammunition can cause malfunctions or damage.
- A damaged magazine may not function correctly, leading to misfires.

- **Instructions to Avoid Hazards:**

- Always check the magazine for damage before loading.
- Ensure the magazine is properly seated in the firearm before use.
- Do not attempt to modify the magazine in any way.
- Avoid using the magazine in extreme temperatures or wet conditions.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals 18 years and older.
- Ensure that inexperienced users are supervised by a qualified adult.

Instructions for Installation and Usage

1. Loading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Verify that the firearm is unloaded.
- Hold the magazine with the feed lips facing up.
- Insert the rounds into the magazine, pressing down until they click into place.
- Do not exceed the 8round capacity.

2. Inserting the Magazine:

- With the firearm in a safe direction, grasp the magazine and align it with the magazine well.

- Push the magazine firmly into the well until it clicks into place.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button and pull the magazine out of the magazine well.

4. Maintenance:

- Clean the magazine regularly to ensure optimal performance.
- Use a soft cloth to wipe down the exterior and a brush to clean the interior.
- Avoid using harsh chemicals that may damage the magazine.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, consider recycling the metal components where applicable.
- Do not dispose of magazines in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns, please refer to the appropriate authorities or your local firearm dealer. Always ensure you have access to resources that can provide assistance with your firearm and accessories.

By following these safety guidelines, you can help ensure a safe and enjoyable experience with your 1911 Compact Match Grade Magazine. Thank you for prioritizing safety in your firearm practices.
