## A Two-Stage Trigger Unit Built for Colt Large-Pin Receivers

For owners of Colt large-pin lower receivers, finding aftermarket triggers that work with the design can be difficult. However, there are a large number of these receivers on the market, since Colt made the large-pin design from 1991 until 2009. CMC Triggers stepped up to provide a solution in the form of its AR-15 Two-Stage Large Pin Triggers. Each CMC Triggers AR-15 Two-Stage Large Pin Trigger can be ordered with either a curved or a flat trigger bow and is a completely drop-in design, requiring no fitting or modification on the part of the end user. However, it's important to note that these trigger units will not drop into any AR-15 that doesn't have 0.172-inch diameter trigger and hammer-pin holes, and Colt was the only manufacturer to produce receivers with this pin diameter. Each CMC Triggers AR-15 Single-Stage Large-Pin Trigger is assembled by hand at the company's facility, function-tested and ships with a set of anti-walk pins.

## Introduction

Thank you for choosing the AR15 TwoStage Large Pin Triggers by CMC Triggers. This guide provides essential safety instructions and usage guidelines to ensure your product's safe and effective operation. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure compliance with local laws and regulations regarding firearm modifications and accessories.
- Always treat your firearm as if it is loaded, even when it is not.
- Store your triggers and firearms securely to prevent unauthorized access, especially from children.
- Regularly inspect your trigger for any signs of wear or damage before use.
- If you experience any malfunctions or irregularities, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- The AR15 TwoStage Large Pin Trigger is designed for use with Colt largepin lower receivers only. Ensure compatibility before installation.
- Do not attempt to modify or alter the trigger in any way. Doing so can compromise safety and performance.
- Always follow the manufacturer's instructions for installation and usage.
- Ensure that the trigger and firearm are clean and free from debris before installation.
- Use appropriate safety gear, including eye protection, when handling firearms.

## Instructions for Installation and Usage

### 1. Compatibility Check

- Confirm that your lower receiver has 0.172inch diameter trigger and hammerpin holes.
- Verify that your receiver is a Colt largepin model.

### 2. Installation Steps

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger assembly from the lower receiver.
- Insert the CMC Triggers AR15 TwoStage Large Pin Trigger into the trigger housing.
- Align the trigger and hammer pins with the holes in the receiver.
- Secure the trigger assembly using the provided antiwalk pins.

### 3. Testing the Trigger

- After installation, perform a function test:
  - Ensure the trigger moves freely and resets properly.
  - Check that the safety mechanism functions correctly.
- If any issues are detected, do not use the firearm and consult a qualified gunsmith.

### 4. Usage Guidelines

- Practice safe handling and shooting techniques at all times.

- Familiarize yourself with the trigger pull weight (1 lb set, 3 lb release) to ensure proper control during operation.
- Regularly maintain your trigger by cleaning and lubricating as necessary.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic and firearm components.
- Do not throw the product in regular household waste. Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please refer to the manufacturer's website or contact the retailer from whom you purchased the product.

By following these guidelines, you can help ensure the safe and effective use of your AR15 TwoStage Large Pin Trigger. Thank you for prioritizing safety and responsible firearm ownership.
