

# AR-15 PCC 9MM TRIGGERS - CMC TRIGGERS PCC 9MM TRIGGER SINGLE STAGE CURVED 3 LB

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## An Easily Installed Drop-In Trigger for Your Pistol-Caliber Carbine

Pistol-caliber carbines are hot platforms right now, as competition shooters and plinkers take advantage of the lower cost and recoil of PCCs. The design allows people to shoot more and get faster follow-up shots off, and CMC Triggers is enhancing performance on the range with its AR-15 PCC 9mm Triggers. Each CMC Triggers AR-15 PCC 9mm Trigger is equipped with a single-stage, curved-bow design that provides an incredibly crisp break with no grit or creep prior to the hammer release. The trigger is designed to provide as short of a lock time as possible, thanks to controlled hammer weight and balance provided by a rocket-wire hammer spring that ensures consistent ignition with all grades of ammunition. Each CMC Triggers AR-15 PCC 9mm Trigger is machined from a combination of 8620 alloy steel and S7 tool steel with tolerances held to less than one thousandth of an inch. The trigger works in all mil-spec AR-15 and AR-10 lower receivers and includes a set of anti-walk pins.

## Attributes

- Name: [CMC TRIGGERS PCC 9MM TRIGGER SINGLE STAGE CURVED 3 LB](#)
- Manufacturer: [CMC TRIGGERS](#)
- Product no.: 207000083
- Mfr. No.: 95501
- Style: Single-Stage
- Weapon type: AR-15
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 102mm
- Shipping length: 197mm
- UPC: 850544004206

## Item details

Made in USA

US export classification: 0A501.c

# Safety Instruction Guide for CMC Triggers AR15 PCC 9MM Trigger

## Introduction

Thank you for choosing the CMC Triggers AR15 PCC 9MM Trigger. This guide provides important safety information and instructions to ensure the safe use and installation of your trigger. Please read this guide carefully before use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Wear appropriate eye and ear protection when using your firearm.
- Ensure that the trigger is installed correctly before use.
- Always follow the manufacturer's instructions for your firearm and trigger.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Store your firearm and trigger in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that your trigger is compatible with your specific model of AR15 or AR10 lower receiver.
- Do not modify the trigger or firearm in any way that could compromise safety.
- Be aware that the trigger is designed for use with 9mm ammunition only.
- Always use highquality ammunition from reputable manufacturers to ensure reliable performance.
- If you experience any malfunction or unusual behavior while using your firearm, cease use immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Gather all necessary tools, including a punch tool and a hammer.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the old trigger from the lower receiver according to the manufacturer's instructions.
- Carefully install the CMC Triggers AR15 PCC 9MM Trigger into the lower receiver, ensuring proper alignment.
- Use the provided antiwalk pins to secure the trigger in place.
- Doublecheck all connections and ensure the trigger functions correctly before reassembling the firearm.

### 2. Usage Instructions:

- Before firing, ensure the firearm is in a safe environment.
- Load the firearm according to the manufacturer's guidelines.
- When ready to shoot, place your finger on the trigger only when you are prepared to fire.
- After shooting, always check the trigger and firearm for any signs of malfunction.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearms and firearm components.
- If the trigger is damaged or no longer functional, consider recycling the materials where possible.
- Ensure that any disposed components are rendered unusable to prevent unauthorized use.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding your CMC Triggers AR15 PCC 9MM Trigger, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your CMC Triggers AR15 PCC 9MM Trigger. Always prioritize safety and responsible firearm handling.
