

# AR-15 LOWER PARTS KIT WITH TRIGGERS - CMC TRIGGERS LOWER PARTS KIT WITH TRIGGER SINGLE STAGE FLAT 3 LB

[Home](#)

## A Complete Lower Parts Kit and Drop-In Trigger Unit\

Why pay for components you won't use on your next AR-15 build? That's the position of CMC Triggers, and that's why they paired their AR-15 Lower Parts Kit with one of the company's Single-Stage Drop-In 3.5-pound AR-15 triggers. Unlike standard AR-15 lower parts kits, the CMC Triggers option doesn't include a mil-spec trigger, hammer or the springs needed for either one. That way, those who are looking to add a CMC Trigger to their build won't have to buy a complete lower parts kit with pieces they won't use. Buyers can choose between curved or flat trigger bows. All that's needed now to finish your lower receiver is to add the grip of your choice! NOTE: grip NOT included. Kit Includes: 1.Bolt Catch 2.Bolt Catch Plunger 3.Bolt Catch Spring 4.Bolt Catch Roll Pin 5.Mag Release 6.Mag Release Button 7.Mag Release Spring 8.Buffer Retainer Spring 9.Safety 10. Buffer Retainer 11.Safety Detent Spring 12.Safety Detent 13.Trigger Guard 14.Trigger Guard Roll Pin 15.Takedown Detent Springs 16.Takedown Detents 17.Takedown Pins All parts meet or exceed MIL SPEC 100% CMC Triggers Product Warranty

# Safety Instruction Guide for AR15 Lower Parts Kit with CMC Triggers

## Introduction

Thank you for choosing the AR15 Lower Parts Kit with CMC Triggers. This guide provides important safety information and instructions to ensure the safe use and installation of this product. Please read this guide carefully before proceeding with installation and usage.

## General Safety Guidelines

- Ensure that you are legally permitted to own and operate firearms in your jurisdiction.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Store all firearm components, including this kit, in a secure and safe location away from children and unauthorized users.
- Inspect all parts for damage or wear before installation. Do not use damaged components.
- Follow all local laws and regulations regarding firearms and their components.

## Specific Safety Precautions for Use

- Only use this parts kit in conjunction with a compatible AR15 lower receiver.
- Be aware of potential hazards during installation, including sharp edges and small parts that may pose a choking hazard.
- Wear appropriate safety gear, including eye protection, when installing the components.
- Keep your work area clean and organized to prevent loss of small parts.
- If you are unsure about any aspect of the installation or use, consult a qualified gunsmith or firearms expert.

## Instructions for Installation and Usage

### 1. Prepare Your Work Area

- Choose a clean, welllit, and organized workspace.
- Gather all necessary tools, including a punch set, hammer, and screwdrivers.

### 2. Install the Components

- **Bolt Catch:**
  - Insert the bolt catch into the lower receiver and secure it with the roll pin.
- **Mag Release:**
  - Position the mag release button and spring in place. Ensure it functions correctly.
- **Buffer Retainer:**
  - Insert the buffer retainer and spring into the designated hole.
- **Safety Selector:**
  - Install the safety selector, ensuring it rotates freely and engages correctly.
- **Trigger Guard:**
  - Attach the trigger guard using the roll pin provided.
- **Takedown Pins:**
  - Install the takedown pins, ensuring they are secure and function correctly.

### 3. Final Checks

- After installation, verify that all components are securely in place and function as intended.

- Perform a function check on the lower receiver to ensure everything operates correctly before attaching the upper receiver.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of firearm parts in regular household waste. Contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For questions or concerns regarding the safety and usage of the AR15 Lower Parts Kit with CMC Triggers, please consult a qualified gunsmith or your local firearms authority. You can also visit the manufacturer's website for additional resources and support.

Thank you for your attention to these safety guidelines. Enjoy your build and practice responsible firearm ownership.
