

AR-15 GAS TUBES NITRIDE - CMC TRIGGERS GAS TUBE MID LENGTH NITRIDE BLACK

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Tubes](#)

A Durable Gas Tube That'll Keep Your AR Running Right

It's often the little elements that get overlooked in an AR-15 build, and the gas tube is one of them. It could be said that this simple tube is the unsung hero of the AR platform, because without a solid gas tube, your semi-automatic functioning goes right out the window. That's why CMC Triggers put high-quality materials in its AR-15 Nitride Gas Tubes. Each CMC Triggers AR-15 Nitride Gas Tube is machined from 304 stainless steel and, as the name implies, is treated with a nitride finish that prevents corrosion and wear. Tubes are available in pistol, carbine, mid-length, intermediate and rifle lengths, and each tube is made right here in the USA.

Attributes

- Name: [CMC TRIGGERS GAS TUBE MID LENGTH NITRIDE BLACK](#)
- Manufacturer: [CMC TRIGGERS](#)
- Product no.: 207000091
- Mfr. No.: 81623
- Finish: Black Nitride
- Gas System Length: Mid-Length
- Material: Stainless Steel
- Weapon type: AR-15
- Delivery weight: 0.045kg
- Shipping height: 3mm
- Shipping width: 25mm
- Shipping length: 305mm
- UPC: 859464006321

Item details

Made in USA

Safety Instruction Guide for AR15 Nitride Gas Tubes

Introduction

Thank you for choosing the CMC Triggers AR15 Nitride Gas Tube. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the gas tube is compatible with your AR15 build.
- Always handle firearms and components with care and respect.
- Keep gas tubes and all firearm components out of reach of children and unauthorized persons.
- Inspect the gas tube for any visible damage or defects before installation.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or unsafe operation of the firearm.
- Corrosion or wear of the gas tube can affect performance.

- **Avoiding Hazards:**

- Always use the gas tube as intended and as specified in this guide.
- Avoid exposing the gas tube to extreme environmental conditions.
- Regularly inspect the gas tube for signs of wear or damage.

- **Age Specific Warnings:**

- This product is intended for use by individuals aged 18 and over. Ensure that minors are supervised when handling firearms or components.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe to work on.
- Remove the existing gas tube if applicable.
- Align the CMC Triggers AR15 Nitride Gas Tube with the gas block and the upper receiver.
- Secure the gas tube using the appropriate hardware. Ensure all fasteners are tightened to manufacturer specifications.
- Confirm that the gas tube is properly seated and free from obstruction.

2. Usage:

- After installation, perform a function check to ensure the gas system operates correctly.
- Use the firearm in a safe and controlled environment, following all safety protocols.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of any damaged or worn gas tubes in accordance with local regulations.
- Do not dispose of gas tubes in regular household waste. Consider recycling options if available.

Contact Information for Further Support

For any safety inquiries or support, please contact your local retailer or the manufacturer directly. Ensure you have the product details available for assistance.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm is our priority.
