

AR-15 GAS TUBES NITRIDE - CMC TRIGGERS GAS TUBE INTERMEDIATE LENGTH NITRIDE BLACK

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Tubes](#)

A Durable Gas Tube That'll Keep Your AR Running Right

It's often the little elements that get overlooked in an AR-15 build, and the gas tube is one of them. It could be said that this simple tube is the unsung hero of the AR platform, because without a solid gas tube, your semi-automatic functioning goes right out the window. That's why CMC Triggers put high-quality materials in its AR-15 Nitride Gas Tubes. Each CMC Triggers AR-15 Nitride Gas Tube is machined from 304 stainless steel and, as the name implies, is treated with a nitride finish that prevents corrosion and wear. Tubes are available in pistol, carbine, mid-length, intermediate and rifle lengths, and each tube is made right here in the USA.

Attributes

- Name: [CMC TRIGGERS GAS TUBE INTERMEDIATE LENGTH NITRIDE BLACK](#)
- Manufacturer: [CMC TRIGGERS](#)
- Product no.: 207000092
- Mfr. No.: 81624
- Finish: Black Nitride
- Gas System Length: Intermediate
- Material: Stainless Steel
- Weapon type: AR-15
- Delivery weight: 0.091kg
- Shipping height: 3mm
- Shipping width: 25mm
- Shipping length: 349mm
- UPC: 859464006338

Item details

Made in USA

Safety Instruction Guide for CMC Triggers AR15 Nitride Gas Tubes

Introduction

Thank you for your purchase of the CMC Triggers AR15 Nitride Gas Tube. This guide provides essential safety information and instructions for the proper use and maintenance of your gas tube. Please read this guide carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all firearm components, including the gas tube, are installed by a qualified gunsmith or experienced individual.
- Always handle firearms with care and follow basic firearm safety rules.
- Keep the gas tube and all firearm components away from children and unauthorized users.
- Regularly inspect the gas tube for signs of wear or damage. If any issues are detected, discontinue use immediately.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunctioning or unsafe operation of the firearm.
- Failure to use the correct gas tube length may affect the firearm's performance.

- **Avoiding Hazards:**

- Ensure compatibility with your specific AR15 model before installation.
- Follow all manufacturer instructions for installation and usage.
- Do not modify the gas tube or any firearm components without professional guidance.
- Always perform a function check after installation to ensure proper operation.

- **Age or Audience Specific Warnings:**

- This product is intended for use by individuals 18 years of age or older.
- Ensure that users are trained in firearm safety and operation.

Instructions for Installation and Usage

- **Installation:**

1. **Gather Tools:** Ensure you have the necessary tools, including a torque wrench, appropriate screwdrivers, and any other tools specified by the firearm manufacturer.
2. **Safety First:** Always ensure your firearm is unloaded and pointed in a safe direction before beginning any work.
3. **Remove Old Gas Tube:** If replacing an existing gas tube, carefully remove it according to the manufacturer's instructions.
4. **Install New Gas Tube:**
 - Align the new CMC Triggers AR15 Nitride Gas Tube with the gas block.
 - Securely fasten the gas tube using the appropriate screws or pins, ensuring a snug fit without overtightening.

5. **Reassemble Firearm:** Once the gas tube is installed, reassemble your firearm following the manufacturer's guidelines.

6. **Function Check:** Perform a function check to ensure the gas system operates correctly.

- **Usage:**

- Always follow the manufacturer's recommendations for ammunition and operational procedures.
- Regularly clean and maintain your gas tube to prevent corrosion and ensure optimal performance.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the gas tube and any associated components in accordance with local regulations.
- Do not dispose of the gas tube in regular household waste. Instead, contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding safety, installation, or product performance, please reach out to a qualified firearms professional or the manufacturer directly. Always ensure that you have the latest information regarding product recalls or safety updates.

Thank you for choosing CMC Triggers. Your safety is our priority.
