

M-LOK PICATINNY RAIL SECTIONS ALUMINUM - CMC TRIGGERS M-LOK PICATINNY 3 SLOT RAIL SECTION ALUMINUM BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

An M-LOK Picatinny Rail for Mounting Accessories

M-LOK attachment points have allowed AR-style rifle owners to have sleek, slim handguards that still facilitate accessory attachment, but the market of direct-M-LOK accessories is much smaller than the market for Picatinny-attachment accessories. To facilitate the addition of Picatinny accessories, CMC Triggers developed its M-LOK Picatinny Rail Sections designed for use on all M-LOK rails. Each CMC Triggers M-LOK Picatinny Rail Section is machined from aluminum and treated with a mil-spec anodized finish. The rail sections feature beveled edges to prevent snagging, and all the mounting hardware needed to secure the rails to an M-LOK handguard is included. Picatinny-rail sections are available in 3, 5 and 7 slot lengths and are all made in the USA.

Attributes

- Name: [CMC TRIGGERS M-LOK PICATINNY 3 SLOT RAIL SECTION ALUMINUM BLACK](#)
- Manufacturer: [CMC TRIGGERS](#)
- Product no.: 207000104
- Mfr. No.: 81721
- Colour: Black
- Length: 3
- Material: Aluminum
- Style: Picatinny
- Type: M-LOK
- Delivery weight: 0.113kg
- Shipping height: 25mm
- Shipping width: 102mm
- Shipping length: 197mm
- UPC: 810943030015

MLOK Picatinny Rail Sections Safety Instruction Guide

Introduction

Thank you for choosing the MLOK Picatinny Rail Sections by CMC Triggers. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is installed correctly to avoid accidents.
- Always wear appropriate safety gear, including eye protection, when handling tools and firearms.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the rail sections for any signs of damage or wear.
- Do not exceed the weight limits of the rail sections as specified by the manufacturer.
- Be aware of your surroundings when using accessories attached to the rail sections.

Specific Safety Precautions for Use

- Only use accessories that are compatible with Picatinny rail systems.
- Ensure that all mounting hardware is securely tightened before use.
- Avoid using the rail sections in extreme environmental conditions unless specified.
- Do not modify or alter the rail sections in any way.
- If you notice any unusual sounds or movement during use, stop immediately and inspect the installation.

Instructions for Installation and Usage

Installation Instructions

1. Preparation

- Gather all necessary tools, including a torque wrench and the provided mounting hardware.
- Ensure the MLOK handguard is clean and free from debris.

2. Positioning the Rail Section

- Align the MLOK Picatinny Rail Section with the desired location on the MLOK handguard.
- Ensure that the beveled edges are facing outward to prevent snagging.

3. Securing the Rail Section

- Insert the mounting hardware through the rail section into the MLOK slots.
- Use a torque wrench to tighten the screws to the manufacturer's recommended specifications.
- Doublecheck that the rail section is securely attached.

4. Final Inspection

- Inspect the installation to ensure there are no gaps or loose fittings.
- Test the stability of the rail section by applying light pressure.

Usage Instructions

- Attach accessories only when the rail section is securely installed.

- Follow the manufacturer's instructions for any accessories you attach to the rail sections.
- Regularly check the mounted accessories for tightness and stability.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product is damaged beyond repair, dispose of it in a manner consistent with local waste management guidelines.
- Ensure that any hazardous materials are handled according to environmental regulations.

Contact Information for Further Support

For any safety inquiries or support related to the MLOK Picatinny Rail Sections, please refer to the contact details provided on the product packaging or the manufacturer's website.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure the safe use of your MLOK Picatinny Rail Sections and enhance your shooting experience.
