## An M-LOK Picatinny Rail for Mounting Accessories

M-LOK attachment points have allowed AR-style rifle owners to have sleek, slim handguards that still facilitate accessory attachment, but the market of direct-M-LOK accessories is much smaller than the market for Picatinny-attachment accessories. To facilitate the addition of Picatinny accessories, CMC Triggers developed its M-LOK Picatinny Rail Sections designed for use on all M-LOK rails. Each CMC Triggers M-LOK Picatinny Rail Section is machined from aluminum and treated with a mil-spec anodized finish. The rail sections feature beveled edges to prevent snagging, and all the mounting hardware needed to secure the rails to an M-LOK handguard is included. Picatinny-rail sections are available in 3, 5 and 7 slot lengths and are all made in the USA.

## Attributes

- Name: [CMC TRIGGERS M-LOK PICATINNY 5 SLOT RAIL SECTION ALUMINUM BLACK](#)
- Manufacturer: [CMC TRIGGERS](#)
- Product no.: 207000105
- Mfr. No.: 81722
- Colour: Black

# MLOK Picatinny Rail Sections Safety Instruction Guide

## Introduction

Thank you for choosing the MLOK Picatinny Rail Sections by CMC Triggers. These rail sections are designed to enhance the versatility of your ARstyle rifle, allowing for secure attachment of Picatinny accessories. This safety instruction guide provides important information on the safe use, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all components are compatible with your MLOK handguard before installation.
- Always inspect the product for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in this guide.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to accessory detachment and possible injury.
- Sharp edges may cause cuts or abrasions during handling.

- **Avoiding Hazards:**

- Follow the installation instructions carefully.
- Use protective gloves when handling the rail sections to prevent cuts.
- Ensure all mounting hardware is securely tightened before use.
- Regularly check the integrity of the rail sections and accessories for wear and tear.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools: a torque wrench and the included mounting hardware.
- Ensure the MLOK handguard is clean and free from debris.
- Align the MLOK Picatinny Rail Section with the desired mounting points on the handguard.
- Insert the mounting hardware through the rail section slots and into the MLOK slots.
- Tighten the hardware using a torque wrench to the manufacturer's specified torque settings to ensure secure attachment.
- Check that the rail section is firmly attached and does not move.

### 2. Usage:

- Once installed, attach Picatinny accessories as needed.
- Ensure all accessories are securely fastened to prevent detachment during use.
- Regularly inspect the rail sections and accessories for signs of wear or damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste and metal recycling.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the MLOK Picatinny Rail Sections, please reach out to the designated contact point in your region. Ensure you have your product details ready for a more efficient response.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your enhanced shooting experience with the MLOK Picatinny Rail Sections by CMC Triggers!
