

DROP-IN TRIGGER KIT FOR GLOCK - CMC TRIGGERS DROP-IN TRIGGER KIT FOR GLOCK 40 CAL GEN 4 BLACK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Ultra-Crisp Trigger, Glass Smooth Break

Bringing a wealth of knowledge and experience from its presence in the aftermarket for AR-15 triggers, CMC Triggers entered the handgun market with a modified trigger unit for one of the world's most-popular handgun designs: the Glock. Each CMC Glock Replacement Trigger provides owners with a drop-in unit designed to instantaneously enhance the performance of their gun's trigger. The CMC Triggers Glock Replacement Trigger is a complete unit that features OEM internals, including a Glock OEM trigger bar, springs and housing. However, the design features a flat-faced trigger shoe with a hooked bottom that reduces pull weight by two pounds over the OEM design. The trigger is constructed from a combination of 8620 alloy steel and S7 tool steel and features a positive trigger reset.

DROPIN TRIGGER KIT FOR GLOCK CMC TRIGGERS

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the DROPIN TRIGGER KIT FOR GLOCK CMC TRIGGERS. This product is designed to enhance the performance of your Glock handgun. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition separately and securely to prevent unauthorized access.
- Always use appropriate personal protective equipment (PPE), such as eye and ear protection, when handling firearms.
- Check local laws and regulations regarding the use and modification of firearms.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the DROPIN TRIGGER KIT is compatible with your specific Glock model before installation.
- Inspect the trigger kit for any signs of damage or defects before use.
- Do not modify the trigger kit or any of its components beyond the manufacturer's specifications.
- Avoid using the firearm in wet or damp conditions to prevent corrosion.
- Be aware of the increased performance and changes in trigger feel, which may affect your shooting habits.
- Always follow the manufacturer's instructions for installation and usage.
- Ensure that the firearm is unloaded before installing or adjusting the trigger kit.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation, including a punch tool and a hammer.
- Ensure you are working in a clean, welllit environment.

2. Installation Steps

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the slide from the Glock handgun according to the manufacturer's instructions.
- Remove the existing trigger assembly by following these steps:
 - Use a punch tool to push out the trigger pin.
 - Carefully detach the trigger bar and any associated components.
- Install the CMC Triggers Glock Replacement Trigger:
 - Position the new trigger assembly in place.
 - Align the trigger pin holes and insert the trigger pin securely.
 - Ensure that the trigger bar is properly connected and functions smoothly.
- Reattach the slide to the Glock and perform a function check to ensure proper operation.

3. Usage

- After installation, familiarize yourself with the new trigger feel before engaging in live fire practice.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of the DROPIN TRIGGER KIT and any associated packaging materials according to local regulations.
- Do not dispose of any firearm parts in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the DROPIN TRIGGER KIT FOR GLOCK CMC TRIGGERS, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience!
