

# AR COMBAT CURVE SINGLE STAGE TRIGGER BLACK - CMC TRIGGERS AR COMBAT CURVE SINGLE STAGE TRIGGER BLACK

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The innovative design from CMC with their AR Combat Curve Trigger combines the classic curve with the indexing of CMC's patented flat trigger into one dynamic hybrid trigger bow for the modern warfighter. The CMC CCT™ has an exceptionally smooth feel, ultra-clean break, and an exceptional lock time and lightning-fast reset. CMC Triggers innovative, self-contained, and easy-to-install AR-15 Trigger Groups have been completely re-tooled to maximize production capacities, incorporate new design enhancements and reduce cost to the customer. CMC Triggers AR-15 Drop-In Trigger Groups have always yielded exceptional trigger pull dynamics for our hundreds of thousands of satisfied customers. CMC Triggers sear engagement overlap is up to 6-8 times greater than competitors, providing a much safer trigger and enhances reliability. Single Stage Match Trigger Ultra-Crisp trigger with no feel of creep prior to hammer release Trigger has glass-smooth break with no feel of grittiness Minimal lock time is designed into the assembly using controlled hammer weight and balance activated by a rocket wire hammer spring, assuring repeatable function with either commercial or military grade ammunition Trigger pull is factory pre-set, not user adjustable Positive trigger reset allows a quick follow up shot on target Hand assembled, and hand tested Totally self-contained one-piece assembly Fits Mil-Spec AR-15 and AR-10® style rifles Made from 8620 Alloy Steel and S7 Tool steel with machined tolerances of +/- .001" Includes small anti-walk pin set 3.5 lb trigger pull weight

# Safety Instruction Guide for CMC Triggers AR Combat Curve Single Stage Trigger Black

## Introduction

Thank you for choosing the CMC Triggers AR Combat Curve Single Stage Trigger Black. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the trigger safely.

## General Safety Guidelines

- Product Safety: This product is designed to ensure safe use. Follow all safety instructions to minimize risks.
- Enhanced Recalls: Stay informed about potential recalls. Check for updates regularly to ensure your product is safe.
- Online Shopping: If purchased online, ensure that the platform meets safety requirements.
- Special Consumer Focus: This product is not intended for use by children. Ensure it is stored out of reach.
- EU Contact Point: For any safety inquiries, refer to your local EU contact point.
- Rapid Alerts: Stay updated on product safety through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always handle firearms and their components with care.
- Ensure the trigger is compatible with your firearm model (AR15 or AR10).
- Use only commercial or militarygrade ammunition as specified.
- Avoid modifications to the trigger to maintain safety standards.
- Regularly inspect the trigger for wear and tear before use.
- Ensure the firearm is unloaded when installing or adjusting the trigger.
- Store the trigger in a secure location, away from children and unauthorized users.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Disassemble the firearm according to the manufacturer's guidelines.
- Remove the existing trigger group carefully.
- Install the CMC Triggers AR Combat Curve Single Stage Trigger by following these steps:
  - Align the trigger with the trigger housing.
  - Insert the small antiwalk pin set to secure the trigger in place.
  - Ensure that the trigger is seated properly and moves freely.
- Reassemble the firearm according to the manufacturer's guidelines.

### 2. Usage:

- Before using the firearm, ensure that you understand how the trigger operates.
- The trigger has a factory preset pull weight of 3.5 lbs.
- Practice safe shooting techniques and ensure you are in a controlled environment.
- After firing, allow time for the firearm to cool down before further use.

## **Disposal Instructions**

- Dispose of the trigger responsibly and in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Check with local authorities for proper disposal methods for firearm components.

## **Contact Information for Further Support**

For any questions or concerns regarding the CMC Triggers AR Combat Curve Single Stage Trigger Black, please refer to your local EU contact point or authorized dealer for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your CMC Triggers product. Thank you for your attention to safety and responsible firearm use.
