ROLL PIN PUNCHES - BROWNELLS STANDARD ROLL PIN PUNCH #1, 1/16"

Only Way You Can Remove Pins And Not Damage Them

ROLL PIN PUNCHES   The Brownells Roll Pin Punches are precision-engineered tools designed to facilitate the removal and installation of roll or spring pins in firearms without causing damage to the pins or surrounding components. Each punch features a spherical tip that centers inside the hollow pin, preventing slippage and ensuring accurate alignment during use.   Description and Features: Durable Construction: Crafted from solid steel, these punches are built to withstand the demands of gunsmithing tasks. Parallel-Ground Shanks: The long, parallel-ground shanks provide stability and control, allowing for precise handling during pin removal or installation. Knurled Handles: A knurled section on each handle enhances grip, ensuring secure and comfortable use. Available Sizes: The Brownells Roll Pin Punches are available individually or as a complete 7-piece set, accommodating various pin sizes commonly encountered in firearms: #1: 1/16" #2: 5/64" #3: 3/32" #4: 1/8" #5: 5/32" #6: 3/16" #7: 7/32" Specifications: Material: Solid steel Finish: Matte black Handle: Knurled for enhanced grip Customer Insights: Our customers report that the Brownells Roll Pin Punches are essential tools for firearm maintenance, providing the precision and durability needed for effective roll pin removal and installation. The spherical tip design is particularly appreciated for preventing damage to pins and ensuring accurate alignment during gunsmithing tasks.   Incorporating the Brownells Roll Pin Punches into your toolkit ensures you have reliable and precise instruments for handling roll pins, enhancing both the efficiency and quality of your firearm maintenance and assembly projects

ROLL PIN PUNCHES BROWNELLS #1 ROLL PIN PUNCH 1/16" Safety Instruction Guide

Introduction

Thank you for choosing the ROLL PIN PUNCHES BROWNELLS #1 ROLL PIN PUNCH 1/16". This guide provides essential safety instructions and usage information to ensure safe and effective operation of the product. Please read this guide carefully before use.

General Safety Guidelines

- Always use the roll pin punch in accordance with the manufacturer's instructions.
- Ensure that the work area is clean, welllit, and free from hazards.
- Keep tools out of reach of children and vulnerable individuals.
- Inspect the punch for any signs of damage or wear before each use.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the punch.
- Do not use the punch for any purpose other than intended.
- If you encounter any difficulties or uncertainties during use, seek assistance from a knowledgeable individual.

Specific Safety Precautions for Use

- **Hazard Identification:**

  - Potential for injury if the punch slips or is misused.
  - Risk of damage to the roll or spring pins if not used correctly.

- **Instructions for Avoiding Hazards:**

  - Ensure a firm grip on the punch and the workpiece.
  - Align the punch correctly with the pin before striking.
  - Use a hammer with a suitable weight for the task; avoid excessive force.
  - Do not attempt to remove pins that are rusted or corroded without proper treatment.

- **Age and AudienceSpecific Warnings:**

  - This product is intended for use by individuals aged 18 and older.
  - Do not allow minors to use the punch without adult supervision.

Instructions for Installation and Usage

- **Preparation:**

  - Gather all necessary tools and materials before starting.
  - Ensure that the workpiece is securely clamped or held in place.

- **Using the Roll Pin Punch:**

  1. Select the appropriate size punch for the pin you are working with.
  2. Align the punch with the center of the roll pin.
  3. Hold the punch vertically and ensure it is stable.
  4. With a hammer, strike the end of the punch gently to start the removal process.

5. Continue to strike the punch until the pin is fully removed.
6. To reinsert the pin, align it with the hole and use the punch to guide it into place gently.

-   **PostUse Care:**

    -   Clean the punch after each use to remove debris and prevent rust.
    -   Store the punch in a dry, safe place away from direct sunlight and moisture.

Disposal Instructions

-   Dispose of the roll pin punch in accordance with local regulations.
-   If the punch is damaged beyond repair, consider recycling the steel material if possible.
-   Do not dispose of the punch in regular household waste.

Contact Information for Further Support
