## Only Way You Can Remove Pins And Not Damage Them

**ROLL PIN PUNCHES** The Brownells Roll Pin Punches are precision-engineered tools designed to facilitate the removal and installation of roll or spring pins in firearms without causing damage to the pins or surrounding components. Each punch features a spherical tip that centers inside the hollow pin, preventing slippage and ensuring accurate alignment during use. **Description and Features:** **Durable Construction:** Crafted from solid steel, these punches are built to withstand the demands of gunsmithing tasks. **Parallel-Ground Shanks:** The long, parallel-ground shanks provide stability and control, allowing for precise handling during pin removal or installation. **Knurled Handles:** A knurled section on each handle enhances grip, ensuring secure and comfortable use. **Available Sizes:** The Brownells Roll Pin Punches are available individually or as a complete 7-piece set, accommodating various pin sizes commonly encountered in firearms: #1: 1/16" #2: 5/64" #3: 3/32" #4: 1/8" #5: 5/32" #6: 3/16" #7: 7/32" **Specifications:** **Material:** Solid steel **Finish:** Matte black **Handle:** Knurled for enhanced grip **Customer Insights:** Our customers report that the Brownells Roll Pin Punches are essential tools for firearm maintenance, providing the precision and durability needed for effective roll pin removal and installation. The spherical tip design is particularly appreciated for preventing damage to pins and ensuring accurate alignment during gunsmithing tasks. Incorporating the Brownells Roll Pin Punches into your toolkit ensures you have reliable and precise instruments for handling roll pins, enhancing both the efficiency and quality of your firearm maintenance and assembly projects

# ROLL PIN PUNCHES BROWNELLS #2 ROLL PIN PUNCH 5/64" Safety Instruction Guide

## Introduction

Thank you for choosing the ROLL PIN PUNCHES BROWNELLS #2 ROLL PIN PUNCH 5/64". This product is designed to help you safely and effectively remove roll or spring pins from firearms without causing damage. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use the roll pin punch for its intended purpose.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the punch for any signs of damage before each use.
- Do not use the punch if it is damaged or defective.
- Ensure a stable working surface when using the punch.
- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the punch.
- Be aware of your surroundings and avoid distractions while using the punch.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the correct size punch for the roll or spring pin you are working with.
- Ensure the punch is aligned properly with the pin before striking.
- Use a hammer that is appropriate for the punch size to avoid damaging the punch or the pin.
- Avoid excessive force when using the punch; if resistance is encountered, reassess the alignment and fit.
- Do not strike the punch with anything other than a hammer; do not use pliers or other tools to apply force.
- Store the punch in a safe place when not in use to prevent accidents.

## Instructions for Installation and Usage

### 1. Selecting the Right Punch Size

- Choose the appropriate punch size from the kit provided:
  - #1, 1/16" (1.6mm)
  - #2, 5/64" (2.0mm)
  - #3, 3/32" (2.4mm)
  - #4, 1/8" (3.2mm)
  - #5, 5/32" (4.0mm)
  - #6, 3/16" (4.8mm)
  - #7, 7/32" (5.5mm)

### 2. Preparing the Work Area

- Ensure your work area is clean, dry, and welllit.
- Remove any unnecessary items from the work surface.

### 3. Using the Punch

- Position the punch over the roll or spring pin you wish to remove.

- Hold the punch firmly by the knurled section for better grip.
- With a hammer, gently tap the end of the punch to drive the pin out.
- If the pin does not move, stop and check for proper alignment before attempting again.

#### **4. After Use**

- Clean the punch after use to remove any debris or residue.
- Store the punch in a safe location, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of the roll pin punch responsibly, in accordance with local regulations for metal tools.
- Do not dispose of the punch in regular household waste if it is damaged; check for local recycling options.

## **Contact Information for Further Support**

For any inquiries regarding the safety of this product or to report unsafe conditions, please refer to the appropriate consumer safety authorities in your area.

Thank you for following these safety guidelines. Your safety is our priority, and we hope you enjoy using the ROLL PIN PUNCHES BROWNELLS #2 ROLL PIN PUNCH 5/64".
