## Only Way You Can Remove Pins And Not Damage Them

**ROLL PIN PUNCHES** The Brownells Roll Pin Punches are precision-engineered tools designed to facilitate the removal and installation of roll or spring pins in firearms without causing damage to the pins or surrounding components.

Each punch features a spherical tip that centers inside the hollow pin, preventing slippage and ensuring accurate alignment during use. **Description and Features:** Durable Construction: Crafted from solid steel, these punches are built to withstand the demands of gunsmithing tasks. Parallel-Ground Shanks: The long, parallel-ground shanks provide stability and control, allowing for precise handling during pin removal or installation. Knurled Handles: A knurled section on each handle enhances grip, ensuring secure and comfortable use. **Available Sizes:** The Brownells Roll Pin Punches are available individually or as a complete 7-piece set, accommodating various pin sizes commonly encountered in firearms: #1: 1/16" #2: 5/64" #3: 3/32" #4: 1/8" #5: 5/32" #6: 3/16" #7: 7/32" **Specifications:** Material: Solid steel Finish: Matte black Handle: Knurled for enhanced grip **Customer Insights:** Our customers report that the Brownells Roll Pin Punches are essential tools for firearm maintenance, providing the precision and durability needed for effective roll pin removal and installation. The spherical tip design is particularly appreciated for preventing damage to pins and ensuring accurate alignment during gunsmithing tasks. Incorporating the Brownells Roll Pin Punches into your toolkit ensures you have reliable and precise instruments for handling roll pins, enhancing both the efficiency and quality of your firearm maintenance and assembly projects

# ROLL PIN PUNCHES BROWNELLS #5 ROLL PIN PUNCH 5/32" Safety Instruction Guide

## Introduction

Thank you for choosing the ROLL PIN PUNCHES BROWNELLS #5 ROLL PIN PUNCH 5/32". This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully to understand how to use the roll pin punch safely and efficiently.

## General Safety Guidelines

- Always inspect the roll pin punch for any signs of damage before use. Do not use if damaged.
- Keep the roll pin punch away from children and unauthorized users.
- Use the roll pin punch only for its intended purpose, which is to remove and reuse roll or spring pins.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the roll pin punch.
- Ensure your workspace is clean and welllit to prevent accidents.
- Store the roll pin punch in a safe location when not in use to prevent accidental injury.

## Specific Safety Precautions for Use

- When using the roll pin punch, ensure that your hands are clear of the punch's striking area to avoid injury.
- Use a suitable hammer for striking the roll pin punch. A softfaced hammer is recommended to minimize damage to the punch.
- Do not exceed the recommended striking force, as this may damage the punch or the pins being removed.
- Avoid using the punch on materials or pins for which it is not designed.
- If the punch becomes stuck, do not force it out. Instead, gently tap it to loosen it or seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the roll pin punch, hammer, and safety equipment.
- Ensure that the area is clear of any obstructions or hazards.

### 2. Using the Roll Pin Punch:

- Select the appropriate size punch for the roll pin you are working with. The ROLL PIN PUNCHES BROWNELLS set includes sizes #1 through #7.
- Align the punch with the center of the roll pin to ensure proper removal.
- Hold the punch firmly and strike it gently with the hammer to begin the removal process.
- Continue to strike the punch until the roll pin is fully removed. Be cautious of your hands and surrounding area during this process.

### 3. After Use:

- Clean the roll pin punch after use to prevent rust and maintain its effectiveness.
- Store the punch in its designated case or holder to protect it from damage.

## **Disposal Instructions**

- Dispose of any damaged or wornout roll pin punches in accordance with local regulations for metal waste.
- If the product is no longer usable, consider recycling it if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the ROLL PIN PUNCHES BROWNELLS #5 ROLL PIN PUNCH 5/32", please refer to the manufacturer's contact information provided with your purchase. Always ensure that you have the latest information on safety and product recalls.

By following these safety instructions, you can ensure a safe and effective experience with your roll pin punch. Thank you for your attention to safety.
