Only Way You Can Remove Pins And Not Damage Them

ROLL PIN PUNCHES The Brownells Roll Pin Punches are precision-engineered tools designed to facilitate the removal and installation of roll or spring pins in firearms without causing damage to the pins or surrounding components. Each punch features a spherical tip that centers inside the hollow pin, preventing slippage and ensuring accurate alignment during use. **Description and Features:** **Durable Construction:** Crafted from solid steel, these punches are built to withstand the demands of gunsmithing tasks. **Parallel-Ground Shanks:** The long, parallel-ground shanks provide stability and control, allowing for precise handling during pin removal or installation. **Knurled Handles:** A knurled section on each handle enhances grip, ensuring secure and comfortable use. **Available Sizes:** The Brownells Roll Pin Punches are available individually or as a complete 7-piece set, accommodating various pin sizes commonly encountered in firearms: #1: 1/16" #2: 5/64" #3: 3/32" #4: 1/8" #5: 5/32" #6: 3/16" #7: 7/32" **Specifications:** **Material:** Solid steel **Finish:** Matte black **Handle:** Knurled for enhanced grip **Customer Insights:** Our customers report that the Brownells Roll Pin Punches are essential tools for firearm maintenance, providing the precision and durability needed for effective roll pin removal and installation. The spherical tip design is particularly appreciated for preventing damage to pins and ensuring accurate alignment during gunsmithing tasks. Incorporating the Brownells Roll Pin Punches into your toolkit ensures you have reliable and precise instruments for handling roll pins, enhancing both the efficiency and quality of your firearm maintenance and assembly projects

ROLL PIN PUNCHES BROWNELLS #7 ROLL PIN PUNCH 7/32" Safety Instruction Guide

Introduction

Thank you for purchasing the ROLL PIN PUNCHES BROWNELLS #7 ROLL PIN PUNCH 7/32". This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide thoroughly before using the roll pin punch.

General Safety Guidelines

- Always ensure that you are using the roll pin punch in a welllit and clutterfree workspace.
- Keep the roll pin punch out of reach of children and pets to prevent accidents.
- Inspect the roll pin punch for any damage before each use. Do not use if damaged.
- Wear appropriate personal protective equipment (PPE), including safety glasses, to protect your eyes from potential flying debris during use.
- Use the roll pin punch only for its intended purpose. Misuse can lead to injury or damage.

Specific Safety Precautions for Use

- Ensure that the workpiece is securely clamped or held in place before using the punch.
- Always align the punch correctly with the pin to avoid slipping.
- Do not apply excessive force when using the punch, as this may lead to breakage or injury.
- Avoid using the punch on materials that are too hard or brittle, as this may cause damage to both the punch and the workpiece.
- If you experience resistance while punching, stop immediately and assess the situation before proceeding.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the roll pin punch, a hammer, and the workpiece.
- Ensure that the work area is clean and free from any obstructions.

2. Using the Roll Pin Punch:

- Select the appropriate size punch for the roll pin you are working with. The #7 punch is designed for 7/32" pins.
- Position the punch on the roll pin you wish to remove or install.
- Firmly hold the punch in place and strike the end of the punch with a hammer to drive the pin out or in.
- If removing a pin, ensure that you are supporting the workpiece to avoid damage.

3. PostUse Care:

- After use, clean the roll pin punch to remove any debris or residue.
- Store the punch in a safe place, preferably in a protective case or tool organizer.

Disposal Instructions

- Dispose of the roll pin punch responsibly when it is no longer usable.
- Follow local regulations for the disposal of metal tools and equipment.
- Do not dispose of the punch in regular household waste.

Contact Information for Further Support
