# Safety Instruction Guide for BRASS CHAMBER ROD DEWEY CHR50 CHAMBER ROD

## Introduction

Thank you for choosing the BRASS CHAMBER ROD DEWEY CHR50 CHAMBER ROD. This product is designed to assist in the cleaning of firearms, specifically for .50 caliber firearms such as the Browning Machine Gun. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the chamber rod in accordance with the manufacturer's instructions.
- Keep the chamber rod out of reach of children and vulnerable individuals.
- Regularly inspect the chamber rod for any signs of damage or wear before use.
- Do not use the chamber rod for any purpose other than its intended use.
- Ensure that the firearm is unloaded before using the chamber rod.
- Be aware of your surroundings and ensure you are in a safe environment when using the chamber rod.

## Specific Safety Precautions for Use

- Use only compatible brushes with the chamber rod. For the CHR50, use 10 gauge shotgun brushes for .50 BMG.
- Avoid excessive force when cleaning to prevent damage to the firearm or the chamber rod.
- Do not use the chamber rod if it is damaged or if the handle is loose.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses when cleaning firearms.
- Ensure that the chamber rod is properly seated in the chamber before use to avoid slippage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools and cleaning supplies, including the BRASS CHAMBER ROD and compatible brushes.

### 2. Using the Chamber Rod:

- Attach the appropriate brush to the end of the chamber rod.
- Insert the chamber rod into the chamber of the firearm, ensuring a secure fit.
- Gently rotate the rod while pulling it back and forth to clean the chamber.
- Avoid applying excessive pressure to prevent damage to the rod or firearm.

### 3. PostUse:

- After cleaning, remove the brush and clean the chamber rod with a suitable solvent.
- Inspect the chamber rod for any signs of wear or damage.
- Store the chamber rod in a safe, dry place away from children and pets.

## Disposal Instructions

- Dispose of the chamber rod in accordance with local regulations for metal products.
- If the chamber rod is damaged, consider recycling it if possible. Check with local recycling facilities for

guidelines.
