# COATED ROD ADAPTERS DEWEY 30A Safety Instruction Guide

## Introduction

Thank you for choosing the COATED ROD ADAPTERS DEWEY 30A. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read all sections carefully before use to avoid potential hazards.

## General Safety Guidelines

- Ensure that all adapters are compatible with your cleaning rods and accessories.
- Always inspect the product for any signs of damage before use. Do not use if damaged.
- Keep all products out of reach of children to prevent accidental injury or misuse.
- Use the product only for its intended purpose as described in this guide.
- In case of any accidents or unsafe product incidents, report to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using cleaning rods and adapters.
- Avoid using excessive force when attaching or detaching adapters to prevent damage.
- Do not use the product in a manner that is not specified in the instructions, as this may lead to injury or damage.
- Be cautious of sharp edges on the adapters; handle with care to prevent cuts or abrasions.
- Ensure that all connections are secure before use to avoid disconnections during operation.

## Instructions for Installation and Usage

1. **Compatibility Check:** Verify that the adapter is compatible with your cleaning rod and accessories.
2. **Attaching the Adapter:**
  - Align the male end of the adapter with the female end of the cleaning rod.
  - Gently twist the adapter into place until secure. Do not overtighten.
3. **Using the Adapter:**
  - Attach your cleaning accessory to the opposite end of the adapter.
  - Ensure that the accessory is securely fastened before use.
4. **Detaching the Adapter:**
  - To remove, gently twist the adapter in the opposite direction until it comes loose.
  - Store the adapter in a safe place when not in use.
5. **Cleaning and Maintenance:**
  - Clean the adapters with a soft, dry cloth after each use to remove any residue.
  - Do not use harsh chemicals or abrasive materials for cleaning.

## Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.

## Contact Information for Further Support
