# COATED ROD ADAPTERS DEWEY 22M 832 TO 836

## Safety Instruction Guide

### Introduction

Thank you for choosing the COATED ROD ADAPTERS DEWEY 22M 832 TO 836. This product is designed to convert various Dewey rods and accessories for enhanced compatibility. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product for any purpose other than its intended use.
- Report any unsafe product incidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using cleaning rods and accessories.
- Avoid using excessive force when attaching or detaching the adapters to prevent damage.
- Ensure that the adapters are securely fastened before use to avoid accidental detachment.
- Do not use the product in wet conditions to prevent slipping or electrical hazards.
- Be cautious when using the product with highcaliber firearms; ensure that all safety protocols are followed.

### Instructions for Installation and Usage

#### 1. Installation of Adapters:

- Ensure that the cleaning rod and adapter are clean and free from debris.
- Align the male end of the adapter with the female end of the cleaning rod.
- Gently screw the adapter onto the rod until it is securely fastened.
- For male/female adapters, ensure that the connection is tight but do not overtighten.

#### 2. Using the Adapters:

- Attach the appropriate cleaning accessory (e.g., brush, mop) to the opposite end of the adapter.
- Use the cleaning rod in a straight motion to avoid bending or damaging the adapter.
- After use, detach the cleaning accessory and adapter from the rod.

#### 3. Storage:

- Store the adapters in a cool, dry place away from direct sunlight.
- Keep the product in its original packaging or a designated storage container to prevent damage.

### Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste; check for recycling options.
- If the product is damaged or no longer usable, ensure it is disposed of in a way that prevents harm to the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the COATED ROD ADAPTERS DEWEY 22M 832 TO 836, please refer to the contact information provided by the manufacturer or your point of purchase.
